13.5.1 Overtime Earned Rest Period

If an employee has worked four (4) hours or more of overtime between the hours of 10:30 p.m. and 6:30 a.m. preceding the beginning of his/her regular work hours

If other City electrical employees are concurrently performing scheduled overtime tasks, the Senior Electrical Supervisor may, at his or her discretion, assign the work to electrical employees present within the City performing the scheduled overtime tasks at the regular overtime rate of pay. Wherever practical, employees working in the same classifications within a division shall be given preference of vacation time by seniority. If the requirements of the service are such that a department head cannot permit an employee within his or her department to take an annual vacation leave or any part of such leave within a particular calendar year, the City Manager may permit such employee to take the deferred vacation during the following year.

16.2 Use of Incremental Vacation

Employees may, with advance supervisory approval, use vacation leave in increments of one hour.

Each employee, during that portion of the calendar year in which he or she is originally appointed and during the next succeeding year, shall be entitled to vacation leave credits at the rate of 0.833 work days for each calendar month of service. Each such employee shall be entitled to take during these two (2) calendar years only such annual vacation leave as he or she earns.

16.5 Vacation Eligibility for Part-time, Intermittent, Leave Without Pay or Reemployed Employees

For an employee who has worked on a part-time or intermittent basis or who has been on leave of absence without pay for a total of six (6) months or more or who has been terminated and subsequently reemployed, the actual years of service with the City shall be used for the purpose of computing length of service in determining eligibility for vacation at the three (3), four (4), five (5) and six (6) weeks' rate.

16.5.1 Prorated Vacation for Intermittent or Part-Time Employees

Employees working on an intermittent or part-time basis who have worked half-time or more in the preceding calendar year without termination of employment shall be entitled to a prorated vacation leave based upon the actual years of service with the City and upon the actual amount of time worked in the preceding calendar year.

16.6 Maximum Vacation Accumulation

Employees may accrue vacation earned up to a maximum cumulative total of 320 hours. Once an employee accrues 320 hours vacation, the employee shall not accrue any additional vacation leave hours until his or her vacation leave balance is below the maximum 320 hours. Under no circumstances will an employee be allowed to accrue more than 320 hours vacation leave. As provided below, the City will advise employees and their supervisors when the employee has attained an accumulation of 280 hours. Supervisors should be flexible in granting vacation requests from employees who reach 280 hours. Provided further that with regard to employees who have reached 280 hours, no vacation request by such employee shall be unreasonably denied. No employee shall be denied vacation leave such that it causes him or her to reach the 320 hour limit.

Notification:

To assist employees to remain below the 320 hours vacation leave maximum accumulation, the parties agree that no later than October 1 of each year of this Agreement, the City will provide the Union and Department Heads with a report identifying accumulated vacation hours of all employees. The City also agrees to notify all employees who have accrued 280 hours of vacation leave, as of this date, that they must take vacation leave to reduce their vacation leave to avoid reaching the 320 hour maximum accrual.

16.7 Prorated Vacation due to Extended Absence, Reemployment or Reinstatement

An employee who has returned from extended military leave or any other extended leave of absence without pay or who has been reemployed or reinstated shall be entitled, during the calendar year in which he or she returns to the City service, to a prorated vacation based upon the total years of service with the City and upon the total number of months of actual service with the City during the said calendar year. 16.9 Calculation and Payment or Reimbursement of Vacation Credits upon Termination or Extended Leave

Upon termination, extended military leave, or other extended leave of absence without pay, vacation leave credits shall be totaled, and the actual amount of vacation leave taken, including any that may have been taken during the year in which the termination, extended military leave, or other extended leave of absence without pay occurs, shall be deducted from the total credits. If the credits exceed the actual amount of vacation leave taken, such employee, or his or her estate, shall be paid for the excess of credits on the basis hereinafter set forth. If the actual amount of vacation leave taken exceeds the credits, such employee, or his or her estate, shall reimburse the City on the same basis.

The basis for such payment by the City or for such reimbursement to the City shall be as follows:

The employee's hourly pay rate at date of termination, extended military leave, or other extended leave of absence without pay, multiplied by the excess of credits over vacation leave actually taken or excess of vacation leave actually taken over credits, as the case may be.

16.10 Lump Sum Payment of Vacation

Upon termination, extended military leave or other extended leave of absence without pay, payment for excess of vacation leave credits shall be made in one lump sum at time of termination, extended military leave, or other extended leave of absence without pay, or as soon thereafter as possible; provided, however, that an employee may elect to use excess vacation leave credits prior to termination, extended military leave, or other extended leave of absence without pay, to the extent permitted by this Section 16 (Vacation), and receive a lump sum payment for the balance of leave credits, if any. An employee, or his or her estate, shall not be paid for vacation leave credits in excess of eight (8) calendar weeks. Notwithstanding the foregoing, accumulated but unearned vacation credit at the time of retirement shall be paid off in a lump sum.

16.11 Calculation of Vacation Based on Actual Paid Hours

All vacation benefits shall be calculated upon actual paid hours of work. This provision shall go into effect immediately upon implementation of necessary data processing and programming changes.

16.12 Vacation Accounting Procedures

The City may revise vacation accumulation provisions in order to standardize accounting procedures without effect on the amount of employees' vacation, subject to review and approval by the union.

16.13 Voluntary Time Off

The City will implement a voluntary time off (VTO) program, which may include a year-end holiday closure. It is understood by the parties that employee participation is completely voluntary and that employees who wish to work during such periods will be permitted to do so.

In the event that the time worked on such a holiday is also overtime, as provided in Section 13 (Overtime) of this Memorandum Agreement, payment will be made for the hours worked either as overtime under said Section 13 (Overtime), or as holiday pay under this Section 17 (Holidays), but will not be made under both Sections.

17.7 Holidays for Part-Time Employees

Regularly scheduled part-time employees 1) who are assigned to a regular schedule of twenty (20) or more hours per week; 2) who have worked for the City as regular or part-time employees for one (1) or more years; and 3) who during such period of time have worked a minimum of 1,000 hours shall be entitled to the holiday pay for the number of hours which such employee would have worked had the holiday not occurred, provided such holiday occurs on a day which such employee is regularly scheduled to work.

SECTION 18: SICK LEAVE

18.1 Eligibility

Any employee shall be entitled to take sick leave with full pay in case of sickness, disability, or serious illness within the immediate family of the employee in accordance with the provisions of Sections 18.2 (Sick Leave Accrual) to 18.12 (Cessation of Accrual).

18.2 Sick Leave Accrual

Each employee shall be credited with one (1) working day of sick leave with full pay for each month of service.

For the purposes of this Section 18 (Sick Leave), a month of service shall mean thirty (30) consecutive calendar days in the case of employees working on a fulltime or part-time basis, and shall mean 163 hours of work in the case of employees working on an intermittent basis.

18.3 Pro-rated Sick Leave for Part-Time Employees

An employee working on a part-time basis shall be entitled to use earned sick leave only on a pro rata basis; for example if an employee works half-time, he or she shall be paid for time off on sick leave on a half-time basis.

18.4 Sick Leave for Intermittent Employees

An employee who works on an intermittent basis shall be entitled to use earned sick leave only for those days on which he or she would have worked if he or she had not been sick; provided, however, that an employee working on an intermittent basis who works only when called shall be entitled to use earned sick leave only when he or she becomes sick after reporting to work in response to such call.

18.5 Maximum Accumulation

Such sick leave as provided in Section 18.2 (Sick Leave Accrual), when not used, shall be cumulative; but the accumulated unused period of sick leave shall not exceed two hundred (200) working days, regardless of the length of service. When the maximum of two hundred (200) working days has been reached, and thereafter part of said maximum has been used, the used part of said maximum may subsequently be replenished at the applicable rate provided in Section 18.2 (Sick Leave Accrual).

18.6 Payment upon Retirement/Termination

All accumulated sick leave shall be canceled when an employee terminates or is terminated, except as provided below for employees hired on or before June 30, 2013.

18.6.1 Employees Hired on or Before June 30, 2013

For employees hired on or before June 30, 2013 who retire or voluntarily terminate with a vested pension, and with between twenty (20) years and twenty-eight (28) years of benefited service shall be entitled to receive payment in an amount equal to thirty eight percent (38%) of their accrued sick leave days up to a maximum of the two hundred (200) day maximum accumulation. Provided further that any employee retiring on permanent disability arising out of and incurred in the course and scope of his employment with the City shall be entitled to receive payment at retirement for thirty eight percent (38%) of accumulated unused sick leave days but not, in any event, more than thirty eight percent (38%) of the two hundred (200) day maximum accumulation.

18.6.2 Payment After 28 Years of Service for Employees Hired on or Before June 30, 2013

Employees who were hired on or before June 30, 2013, who terminate with at least twenty-eight (28) years of benefited City of Berkeley service or employees retiring on permanent disability arising out of and incurred in the course and scope of their employment with the City with at least twenty-eight (28) years of benefited service shall be entitled to receive payment in an amount equal to fifty percent (50%) of their accrued sick leave days up to a maximum of two hundred (200) unused sick leave days.

18.6.3 Sick Leave Payout to 401(a) Plan for Employees Hired on or Before June 30, 2013

The City and the Union have met and conferred on an Internal Revenue Code Section 401(a) plan and trust agreement to address the liquidation of sick leave at time of retirement. This plan and trust agreement was originally negotiated with the Berkeley Fire Fighters Association/I.A.F.F. Local 1227 and has been submitted to the Internal Revenue Service for a Determination Letter and a Private Letter Ruling which are pending. If the City receives a positive response from the Internal Revenue Service, the plan and trust agreement will be extended to the employees in the bargaining unit. This will provide the employees with an irrevocable option to defer accrued but unused sick leave at time of retirement into a 401(a) plan or be paid out the balance of the accrued but unused sick leave less withholding of applicable federal and state taxes.

18.7 Annual Payment for Hours in Excess of Maximum for Employees Working Half Time or More for Employees Hired on or Before June 30, 2013

Employees who regularly work one-half ($\frac{1}{2}$) time or more and who have attained the one hundred fifty (150) day maximum sick leave accumulation shall be entitled to receive payment for one-third ($\frac{1}{3}$) of the first twelve (12) days of sick leave for which they become eligible but do not use and would otherwise forfeit because of the one hundred fifty (150) day maximum limitation. Determination of eligibility for such payment shall be made on an annual calendar year basis, and payment for such sick leave for any calendar year shall be made not later than January 22 of the following year. Such payment shall be made at the employee's salary rate in effect on the preceding December 31 and shall be made only in units of whole days and not for any fraction of a day.

18.8 Restoration of Sick Leave if Reemployed within Two Years

Accumulated sick leave, which has been canceled by reason of an employee's termination, shall be credited back to such employee if the employee returns to City employment within two (2) years of such termination.

18.9 Sick Leave Use/Family Illness

Sick leave shall not be considered as a privilege which an employee may use at his or her discretion but shall be allowed only in case of his or her sickness or disability or in the case of serious illness within the immediate family of the employee. Not more than fifteen (15) working days in any calendar year may be taken as sick leave because of the illness of a member of the employee's immediate family, except for serious medical conditions covered under the provisions of Administrative Regulation 2.4 (Family Care Leave). The immediate family of an employee, for the purpose of this Section, shall be defined as: spouse, domestic partner, son, daughter, parent or dependent.

18.10 Prohibition for Use with Outside Employment

No sick leave shall be allowed for time off for an injury incurred while working for another employer, provided that such injury is covered by the Workers' Compensation laws of the State of California, or other provision for payment for time off because of such injury is made by such other employer. In the event such injury is not covered by the Workers' Compensation laws of the State of California and no other provision for payment for time off because of injury is made by such other employer, sick leave in accordance with the provisions of this Section shall be allowed only if such outside employment has been approved by the City.

18.11 Notification Requirement

In order to receive compensation while absent on sick leave, the employee shall notify his department head prior to or within four (4) hours after the time set for beginning his or her daily duties, or as may be approved by the head of his or her department. The Union and the City recognize it is advantageous to both parties that calls should normally be made prior to the beginning of the work shift. Leave for non-emergency doctors' appointments shall be requested in advance. In specific instances the City may by written notice require an employee (s) to call in prior to the beginning of their shift in order to be eligible for sick leave.

18.12 Cessation of Accrual

An employee who is granted a leave of absence without pay and who is off the payroll for less than one hundred-sixty consecutive hours shall receive his or her earned sick leave credit. If the employee is off the payroll for one hundred-sixty (160) consecutive hours or more, he or she shall not earn sick leave credit for each two successive pay periods that he or she is off the payroll.

18.13 Workers' Compensation

All probationary and permanent employees of the City and provisional employees who have worked a total of four (4) months or more for the City, who have suffered any disability arising out of and in the course of their employment as defined by the Worker's Compensation Insurance and Safety Act of the State of California, and who are receiving or shall receive compensation from the insurance carrier for such disability, and during the first seven (7) days after such disability when compensation is not paid by the insurance carrier shall be entitled to remain absent from duty with pay until such time as they are able to return to duty or some other final disposition is made of their case; provided, however, that provisional employees who have worked a total of four (4) months or more for the City shall be entitled to remain absent from duty with pay for the period they would have been permitted to remain provisional employees under their employment at the time of injury.

All employees, other than probationary and permanent employees and provisional employees who have worked a total of four (4) months or more, shall be entitled to such compensation as may be allowed them by the Workers' Compensation Insurance and Safety Act of the State of California.

18.13.1 Workers' Compensation Payments

Payments from the insurance carrier for disability arising out of and in the course of employment shall be paid to the employee. The amount of such payment or payments shall be deducted from the monies, which the employee received from the City. Payments from the insurance carrier, plus the monies paid to the employee by the City, shall be equivalent to the employee's regular full pay.

18.13.2 Workers' Compensation Leave and Salary Continuation

Payments under the Workers' Compensation law for temporary disability, or a recurrence thereof, arising out of and in the course of employment shall be paid for a period not to exceed 365 days at a maximum payment

of the employee's pre-disability net pay but shall not exclude any salary adjustments to which the employee is entitled. Thereafter, the employee will continue to receive only the temporary disability payments provided under state law, and the City will cease to pay the difference. However, salary continuation payments above the statutorily required temporary disability payments shall not be reported by the City to CalPERS as compensation. No time worked shall be part of the 365 calendar days of salary supplement paid by the City. This change shall not affect employees who are currently off the job with a work-related injury which occurred prior to July 1, 1979.

18.13.3 Calculation

The City shall continue to calculate salary continuation at pre-disability gross pay. The City may calculate salary continuation payments at pre-disability net pay at such time when they develop the capacity to administer it equitably. Any change in calculation shall not reduce employees' combination of disability payments and salary continuation payments below employees' pre-disability net pay.

The change in calculation shall not affect employees who are off the job with a work-related injury prior to the new calculation method being implemented.

18.13.4 Workers' Compensation Related Absence of Less than Four (4) Hours

An employee who is absent from work for a medical appointment or physical therapy for less than four (4) hours will have ½ day charged against his or her 365-day maximum period for receipt of salary continuation pre-disability net pay.

18.13.5 Workers' Compensation Related Absence of Four (4) Hours or More

An employee who is absent from work for a medical appointment or physical therapy for 4 hours or more will have 1 day charged against his or her 365-day maximum period for receipt of salary continuation pre-disability net pay.

18.13.6 Calculation Based on Actual Paid Hours:

All sick leave benefits shall be calculated upon actual paid hours.

18.14 Light Duty

Assignments for temporarily disabled employees.

An employee who is absent by reason of industrial disability may be returned to work and given temporary light duties within his or her ability to perform. The duration of any such period of temporary work should be determined by the City. Employees should be compensated at the rate of pay of their regular classification while engaged in such temporary duties, and such work assignments are to incorporate the following provisions:

18.14.1 Modified Duty Accommodation

The City shall accommodate, when feasible, employees covered by this memorandum under the provisions of workers' compensation, and such work assignments are to incorporate the following provision:

18.14.1.1 The assignment shall be consistent with medical limitations as determined by the physician of record.

18.14.1.2 The Assignment shall be within the City of Berkeley and may include hours and days of work other than the employee's regular assignment.

18.14.2 Modified Duty Accommodation for Non-Industrial Disabilities

The City may accommodate an employee disabled with a non-industrial disability by providing a modified work assignment in that employee's classification. To be eligible for such a modified assignment, the employee must provide the Human Resources Department with a medical statement from his or her treating physician that clearly states the medical limitations and abilities of the employee. If modification of that position does not serve the best interests of the City, other classifications may be considered, subject to the approval of the Human Resources Director. Compensation will be provided at the level of the classification in which the temporarily disabled employee works during the disability. The employee must meet standards of satisfactory performance for the duration of the work assignment.

18.14.3 Modified Duty for Pregnancy-Related Disability:

In the case of a medically certified, pregnancy-related disability, in which the normal duties clearly threaten the health and safety of the employee or the unborn child, the Human Resources Department will endeavor to place the employee in a position which best serves the interest of the City with no loss of pay, but in no event will such placement exceed 5 months in duration.

18.14.4 Light Duty Assignments

Availability of light duty job assignments shall be discussed upon request at the monthly Labor-Management Meetings.

18.15 Control Program for Sick Leave Use

The City may establish a reasonable program for the control of abuse of sick leave and absenteeism, subject to Union review and comment.

18.16 Bonus Time for Unused Sick Leave

For every six (6) months of perfect sick leave attendance the employee will receive eight (8) hours of bonus time. A leave of absence from work pursuant to workers' compensation is counted as an absence from work in the same manner as sick leave for the purpose of this bonus. This bonus time will be prorated for part-time employees. Such bonus time can be used for any leave purpose covered by this Memorandum Agreement. Such bonus time shall be counted as vacation leave credits for purposes of determining eligibility for carry-over and cash payment.

18.17 State Disability Insurance

Except as provided in 18.17.1.3 below, any employee who is absent due to personal illness for more than 7 calendar days (or for any period of time if hospitalized) may apply for State Disability Insurance Benefits.

18.17.1 State Disability Integration

After such employee has been absent from work due to personal illness for six (6) consecutive work days, if the employee applies and is eligible for State Disability Insurance, the City shall integrate the employee's pay with the employee's State Disability benefits in the following way:

- 18.17.1.1 The City will determine the weekly SDI benefit amount based on the amount of wages earned with the City of Berkeley in the SDI base period.
- 18.17.1.2 The weekly SDI benefit will be subtracted from the employee's normal weekly wages and the amount necessary to bring the total of State Disability plus wages to 100% will be deducted from any accumulated sick leave, vacation leave and compensatory time available to the employee. The integration with vacation leave and compensatory time is optional but will be automatically implemented after sick leave has expired unless written notification is received from the employee, as discussed below.
- 18.17.1.3 The employee must notify the payroll clerk, in writing, to stop integration of State Disability Insurance payments with vacation leave or compensatory time. Upon receipt of notification, the payroll clerk will cease integration of any future leave for that incident of illness.
- 18.17.1.4 The employee must show the State of California form (Disability Insurance Notice of Computation) to his or her payroll clerk to verify dates covered by SDI and the amount to be paid. The employee must inform their payroll clerk of all SDI payments. Any employee entitled to State Disability Insurance shall receive in addition thereto such portion of his or her accumulated leave as will meet, but not exceed, the standard earnings of the employee for his or her normal workweek, up to a maximum of five (5) days.

SECTION 19: FUNERAL LEAVE

In the case of death within the immediate family of an employee (who is not excluded from such benefit pursuant to Chapter 4.04.120 of the Berkeley Municipal Code (Personnel Ordinance) which is attached hereto as Exhibit B (City of Berkeley Municipal Code Chapter 4.04.120) and made a part hereof, such employee shall be entitled to remain absent from duty with pay in order to attend the funeral or memorial service for a period not exceeding three (3) working days or, in the case of a funeral or memorial service conducted out of the State of California, for a period not exceeding five (5) working days. For the purpose of this Section, the immediate family of an employee shall be defined as: husband, wife, domestic partner, mother, father, sister, brother, child, grandmother, grandfather, grandchildren, mother-in-law, father-in-law, brother-in-law,

sister-in-law, son-in-law, and daughter-in-law, step-parent, step-sibling, step-child, aunts and uncles, nieces and nephews.

Leave of absence with pay because of death in an employee's immediate family is allowed for the purpose of attending the funeral or memorial services, and such leave shall not be charged against vacation or sick leave that an employee may be entitled to but shall be in addition thereto. Employees may request, and the City will make reasonable efforts to accommodate requests, for employees to supplement bereavement leave by using accrued vacation, compensatory time, or floating holiday. All accrued leave (and/or sick leave, if applicable) shall be utilized prior to taking a leave of absence without pay.

Funeral Leave for Persons Other than Immediate Family

In special cases, with the approval of the department head, the City Manager may grant a death leave to allow an employee to attend funeral or memorial services because of a death of a person not included within the definition of the immediate family.

SECTION 20: MILITARY AND MARITIME LEAVE

Military and Maritime Leave shall be governed by the provisions of the Federal Uniformed Services Employment and Reemployment Rights Act (USERRA) and any regulations promulgated to implement the Act and the California Military and Veteran's Code.

If an employee voluntarily extends his or her military leave in excess of two (2) weeks, the amount of pay received by the employee for his or her military duty shall be deducted from his or her regular pay for such period.

SECTION 21: PARENTAL LEAVE

21.1 Eligibility

Employees with one (1) or more years of employment with the City (or equivalent in the case of part-time employees) shall be entitled to parental leave as follows:

A continuous parental leave of up to one year will be granted to any employee with one year (full-time) or more years of employment with the City (or equivalent in the case of part-time employees) upon the birth of a child or the legal adoption of a child who is five years or younger, provided that:

21.1.1 Commencement of Parental Leave

The one-year parental leave must commence no later than 13 months from the date of birth or adoption and must expire no later than 25 months from the date of birth or adoption, and.

21.1.2 Notice Requirement

Employees exercising their rights under this provision must provide the City at least 45 calendar days-notice prior to the anticipated commencement date of the parental leave, unless a shorter notice is approved for good cause.

21.1.3 Use of Sick Leave

The employee, at his or her option, may request that all or any portion of sick leave (up to a maximum of two hundred (200) days) or vacation leave that he or she has accumulated be paid in the same manner as it would if he or she had been absent due to illness or on vacation during the leave. In the event both parents are employed by the City, nothing in the Personnel Rules and Regulations shall prohibit both employees from taking simultaneous parental leave.

21.1.4 Verification Requirement

The foregoing leave shall be granted upon medical certification of pregnancy or the presentation of legal evidence of adoption.

21.1.5 Life and Health Insurance Coverage Upon Exhaustion of Leave

During approved parental leave, after all earned leaves are exhausted, (except sick leave) the City agrees to maintain life and health insurance coverage for duration of the approved leave subject to any regular participation requirement of the employee. Thereafter the City agrees to continue coverage for the employee at the employee's expense.

SECTION 22: LEAVE OF ABSENCE WITHOUT PAY

22.1 Department Head Authority

Upon the request of the employee, a department head may grant a leave of absence to an employee within his or her department without pay for a period not to exceed fifteen (15) working days. No leave without pay shall be granted for more than fifteen (15) working days except upon the written request of an employee and approval of the City Manager. Failure on the part of an employee on leave to report promptly at its expiration shall be cause for discharge.

22.2 Union Sponsored Training

A leave of absence without pay shall be granted at the request of an employee and the Union for the purpose of the employee's attending a training course sponsored by the Union. The maximum duration of such leave shall not exceed two (2) consecutive payroll periods in a calendar year.

22.3 Exhaustion of Accrued Time

Leaves of absence without pay shall be granted only after the employee has utilized all accrued vacation and any other time owed to the employee, except sick leave.

SECTION 23: JURY DUTY LEAVE

An employee who is called or required to serve as a trial juror shall be entitled to be absent from work with pay during the period of jury service or while required to be present in court as a result of a call to jury duty. An employee is required to be present at work when not serving as a trial juror or as a member of a jury selection panel. An employee will notify his or her supervisor of any unusual constraints (e.g., time to call in, time to report for jury service) made by the court that affect the employee's ability to simultaneously fulfill his or her jury duty service and employment obligations; and the supervisor will attempt to accommodate the employee based on the operational needs of the department. Absence from work to perform jury duty service shall apply to employees who work swing and graveyard shifts for those days on jury duty. An employee who serves jury duty on his or her day off shall be granted an equivalent number of days off during his or her normal workweek. Employees are required to submit a written proof of jury duty service issued by the court in order to receive payment for Jury Duty Leave. The employee will keep any payment received for jury service including mileage reimbursement.

23.1 Court Time

The City will guarantee a minimum of three (3) hours pay for every court appearance required by an employee in the conduct of official City of Berkeley job duties on the employee's scheduled day off and three (3) hours minimum if on a workday but outside scheduled working hours. In addition, employees assigned to court phone standby in the conduct of official City of Berkeley job duties will be compensated by earning compensatory time as follows: Duty day, outside of scheduled working hours, one-hour minimum compensatory time and hour for hour thereafter. Day off, two-hour minimum compensatory time and hour for hour thereafter.

ARTICLE 4 - HEALTH AND WELFARE BENEFITS

SECTION 24: HOSPITAL-MEDICAL, DENTAL, AND VISION COVERAGE

24.1 Medical Coverage

The City shall pay the cost of health insurance coverage for employees who are not excluded from such benefit pursuant to Chapter 4.04.120 of the Berkeley Municipal Code (Personnel Ordinance) which is attached hereto as Exhibit B (City of Berkeley Municipal Code Chapter 4.04.120) and made a part hereof, and who have such coverage under any group health insurance plan authorized by the City Council. The present level of benefits under the Kaiser Plan shall be maintained at City expense for the duration of this Memorandum Agreement. Medical benefits are extended to full-time employees, spouse of the employee or domestic partner, and IRS dependent up to age 26.

The City is committed to providing at least one fully paid employer provided health insurance option for employees and eligible dependents. The Union acknowledges the City's policies as stated above.

24.2 Maximum Medical Premium Payments

24.2.1 Effective January 1, 2003, the City will transfer employees who chose to maintain Kaiser medical plan coverage from the Kaiser V-5 Plan into the Kaiser S-1 Plan. Effective January 1, 2003, the City will transfer employees who chose to maintain Health Net HMO coverage from the Health Net W-2 Plan to the Health net C9A Plan.

24.2.2 For employees hired on or after January 1, 2003, the maximum amount the City shall be required to pay for medical insurance premiums shall be the applicable Kaiser rate (i.e., single party, two-party, or family) regardless of the City sponsored health plan selected by the employee.

24.2.3 For employees in a probationary or career benefited status as of January 1, 2003, the City will continue to pay 100% of the health care premium costs (employee and any dependents) for the health plan the employee is enrolled in as of this date as long as the employee remains employed in the bargaining unit. After January 1, 2003, if the employee transfers health coverage to a different health plan, the employee will assume responsibility for paying the difference, if any, between the Kaiser monthly premium rate (i.e., single-party, two-party, or family) and the plan chosen by the employee from that date forward.

2022-2025 Memorandum Agreement

City of Berkeley

IBEW Local 1245

- 24.2.4 Effective January 1, 2009, the amount the City contributes each calendar year toward the payment of health insurance premiums, in accordance with Section 24.2 (Maximum Medical Premium Payment), will increase by the lesser of twenty percent (20%) (single, two-party, family) or the amount of the Kaiser HMO premium amount (single, two-party, family) in effect on that date.
- 24.2.5 Effective January 1, 2014, for those employees who are enrolled on October 31, 2012 in the Health Net Point of Service (POS) health plan (Payroll Benefit Code Description HJ, HK, and HL) the City shall pay medical insurance premiums at the applicable rate for the Health Net HMO plan (i.e., single; 2-party, or family). If the employee chooses to remain enrolled in the Health Net POS Plan on or after January 1, 2014, the employee will assume responsibility for paying the difference between the Health Net POS and the Health Net HMO monthly premium rate (single; 2-party, or family). Provided further that if at any time after January 1, 2014 the employee transfers health coverage from Health Net POS to the Kaiser health plan, the maximum amount the City shall be required to pay for medical insurance premiums shall be the applicable Kaiser rate (i.e., single 2-party; or family) even if the employee subsequently enrolls in a different City sponsored health plan.

24.2.6 Meet & Confer

The Parties agree to meet and confer with the City, commencing no sooner than January 1, 2017. The negotiations shall be on developing comparable and less expensive health plan options as a means of reducing or ensuring that the City shall not be required to pay any penalties associated with the Excise Tax. This meet and confer process will be subject to normal rules of collective bargaining, including applicable impasse, strike or lock-out procedures.

Any changes resulting from a review of employee health insurance or other health related benefits will be subject to meet and confer between the Union and the City, except as otherwise provided in Section 24.5 (Change in Insurance Carrier).

24.3 Dental Coverage

The City shall provide a dental care program for employees who are not excluded from such benefit by Chapter 4.04.120 of the Berkeley Municipal Code (Personnel Ordinance) which is attached hereto as Exhibit B (City of Berkeley Municipal Code

2022-2025 Memorandum Agreement

City of Berkeley

IBEW Local 1245

Chapter 4.04.120) and made a part hereof. The present level of benefits under the Dental Program shall be maintained at City expense for the duration of this Memorandum. Dental benefits are extended to full-time employees, spouse of the employee or domestic partner, and IRS dependents up to age 26.

24.3.1 Effective January 1, 2000, the dental plan is improved from 90% coverage to 100% coverage.

24.3.2 Effective January 1, 2003, the annual maximum dental benefit will be increased to \$4000 per year, the lifetime maximum orthodontia benefit will be increased to \$4000, and the annual cleanings will be increased from two (2) to four (4). Effective January 1, 2016, the number of annual cleanings will be decreased from four (4) to three (3).

24.4 Vision Coverage

Effective January 1, 2003, the City shall provide a Vision Care Program for employees covered by this Agreement. The annual maximums for this benefit are as follows:

Benefit	Benefit Frequency
Exam	12-Months
Lenses	12-Months
Frames	24-Months
Contact Lenses**	12-Months
**Note: Benefits for Contact Lenses are in lieu of benefits for lenses and frames.	

The maximum amount the City shall be required to pay for the Vision Care Program shall be the applicable Vision Services Plan (\$25 Plan B) rate (i.e., employee only, employee plus spouse, employee plus one (1) child; employee plus family).

If during the term of this Agreement the premiums for such Vision Care Program are increased, the amount the City contributes shall increase no more than five percent (5%) above the previous calendar year's contribution amount towards the payment of the monthly premium.

Recognizing that the "vision exam" portion of the Vision Care Program duplicates existing benefit provided under Medical Coverage Section 24.1 (Medical Coverage) and 24.2 (Maximum Medical Premium Payments), the Union and the City agree to revisit the Vision Care Program during the term of this Agreement with the expectation that it may be possible to identify a plan that provides a

“Hardware Only” benefit (Lenses every 12-months; Frames every 24-months). Such “Hardware Only” plan shall be at a lower City and employee cost than the present Vision Services Plan (\$25 Plan B).

24.5 Change in Insurance Carrier

Before the City acts to change an insurance carrier during the term of this Agreement, the City shall give the Union thirty (30) days notice of its intention to change carriers and shall, upon written request, meet with the Union to discuss the reasons for such change. The final determination of insurance carriers shall be at the sole discretion of the City.

24.6 Domestic Partner Coverage

If an employee chooses to complete and submit an Affidavit of Domestic partnership and sign up for medical and/or dental benefits for his or her domestic partner, the employee shall be subject to federal and state income tax withholding.

24.7 Part-Time Employees and Prorated Benefits

All career and grant-funded, benefited employees working less than full time shall receive prorated rather than full fringe benefits and shall pay, by payroll deduction, a pro rata portion of the health and dental insurance premiums.

24.8 Commencement of Medical, Dental, and Vision Benefits

Medical, dental, and vision benefits shall begin the first day of the calendar month following the date of hire, and end the last day of the month an employee is in pay status.

24.9 Health Insurance In-Lieu Payments

Effective January 1, 2019, for employees who show proof of alternate medical coverage, the City will compensate the employee \$576.00 per month, prorated for less than full-time employees, as provided in Section 24.7 (Part-Time Employees and Prorated Benefits). In order to include in-lieu payments in the regular rate of pay for the correct overtime calculation, the City must provide in-lieu payments on the bi-weekly payroll cycle. This benefit shall be frozen at this amount for the term of this agreement.

24.10 Group Life Insurance

Effective January 1, 2016, the City shall provide group life insurance, by a carrier of the City's choice, in the amount of \$100,000 which shall include a standard accidental death and dismemberment provision of a like amount. In addition, the employee may purchase additional life insurance up to a maximum of \$300,000 at a rate offered by the City's insurance carrier and subject to any medical exam as required by the insurance carrier. Life insurance shall become effective the first day of the calendar month following the date of hire, and shall continue until the last day of the calendar month in a pay status.

24.11 Pre-Tax Status

When employees are required to contribute to the cost for medical, dental, or vision insurance, those contributions will continue to qualify as pre-tax expenses under the provisions of IRS Section 125.

SECTION 25: RETIREE MEDICAL COVERAGE

The City and Union have agreed that the City will make available retiree health insurance coverage under certain terms and conditions described below. The retiree medical benefit described below is the plan tentatively agreed to during multi-union bargaining during the summer of 1998. The terms and conditions of this benefit shall be set forth in a separate document which shall contain a full plan description and shall control the administration of the retiree medical plan.

The City will begin to provide the retiree medical coverage set forth in this Section on July 1, 1998. An employee's entitlement to any and all benefits provided by the City under this retiree medical cover plan are subject to the funding limitations set forth in sub-Section 25.8 (City Funding of Retiree Health Benefit).

25.1 Amendment of Retiree Health Premium Assistance Plan III, effective January 23, 1998, Restated and Amended effective March 22, 2011

Employees who retire on or after June 21, 2015, shall be permitted, at their discretion, to enroll in non-City sponsored health plans. After Council approval of the successor Memorandum of Understanding, the City shall amend the Retiree Health Premium Assistance Plan III as soon as practicable to allow enrollment in non-City sponsored health plans. In the event a retiree elects to enroll in a non-City sponsored health plan, the City shall make medical insurance premium payments directly to the health insurance provider in an amount equal to what the City would contribute to the City sponsored health plan. Retiree shall be solely responsible for

all aspects of the requirements to enroll in a non-City sponsored health plan and maintain eligibility for such a plan; the City's sole obligation is to pay the medical insurance premium contribution required under this Section, as directed by the retiree to a non-City sponsored health plan. The City shall not be responsible for any excess cost differentials associated with the direct payment of premiums to non-City sponsored plans. The City will only make payments through its third-party administrator to provide medical insurance premium payments for an individual plan and will not make payments for a group plan. The retiree and/or surviving spouse or domestic partner that enroll in non-City sponsored health plans shall be solely responsible for paying the administrative set up fee, the monthly administrative fee, and/or any other fees established by the third-party administrator, and said fees will be deducted directly from the retiree's monthly contribution. No cash payments will be paid directly to the retiree and/or the retiree's spouse/domestic partner. There shall be no cash in lieu payments made under this benefit.

The City and the Union agree that the City will also amend the Retiree Premium Assistance Plan III to allow eligible retirees who retired prior to June 21, 2015 to enroll in a non-City sponsored health plan.

Once an employee or retiree reaches age 65, he or she is eligible for Medicare. As a result, his or her eligibility for the retiree medical benefits set forth in subsection 25.3 (Pre-Age 65 Retiree Health Insurance) ceases. On reaching age 65, the City will make available health insurance coverage in addition to Medicare. When an employee or retiree reaches age 65, the City will contribute no more than \$50.00 per month on the employee's behalf for single party health insurance coverage and no more than \$100.00 per month for two party health coverage. If during the term of this Agreement, the premiums for such health insurance are increased, the amount the City contributes shall increase no more than 4.5% above the previous year's contribution.

The City will take such actions under the provisions of Section 218(g) of the Social Security Act to permit employees who are not currently paying employee portion of the Medicare Tax with a one-time opportunity to choose to be covered by the Medicare Tax. If the employee chooses to be covered by the Medicare Tax the choice cannot be revoked at a later date.

The City shall include in its next actuarial request, the impact on the City if the City were to amend its Retiree Health Premium Assistance Plan III to provide the following benefit levels:

Single Party Health:	\$200.00
Two Party Health:	\$400.00

25.4.1 Retiree Health Premium Assistance Plan Benefit as of June 30, 2017

As of June 30, 2017, the maximum amount the City will pay the health care service provider, which were increased in accordance with Section 25.4 (Retiree Benefits for Employees Age 65 and Over), total \$62.59 for two party coverage for the retiree and spouse or domestic partner or \$31.30 for single party coverage.

25.5 Termination by City of Retiree Medical Benefit

Failure of the retiree or surviving spouse to pay their monthly share of the health insurance premium will result in termination of the retiree medical benefit and relieve the City of any further obligation to provide any further benefits under this Section.

25.6 Retiree Medical Benefit for Employees Retiring Between the Ages of 50 and 55

An employee who is at least 50 years of age, but less than 55, and has at least eight years of CalPERS qualifying employment with the City will retain eligibility for the retiree medical benefits provided in sub-Section 25.3 (Pre-Age 65 Retiree Health Insurance) when the employee reaches age 55 if the employee is enrolled in a group health plan coverage from the date of his or her termination from City employment until the employee's 55th birthday. If for any reason the employee has a lapse in group health care coverage the employee forfeits his or her eligibility for the retiree health plan benefits upon reaching age 55 and the City has no further obligation to provide any benefits under this Section to the employee and/or his spouse or domestic partner.

25.7 Employees Retiring with a CalPERS Approved Disability Retirement

If an employee retires from the City before age 55 with a CalPERS approved disability retirement, the employee will retain eligibility for the retiree medical benefits provided in sub-Section 25.3 (Pre-Age 65 Retiree Health Insurance) when the employee reaches age 55 if the employee is enrolled in a group health plan coverage from the date of his or her termination from City employment until the employee's 55th birthday. If for any reason the employee has a lapse in health care coverage the employee forfeits his or her eligibility for the retiree health plan benefits upon reaching age 55 and the City has no further obligation to provide any benefits under this Section to the employee and/or his spouse or domestic partner.

25.8 City Funding of Retiree Health Benefit

City contributions to the retiree medical benefit will begin on July 1, 1998. Funding of this benefit will be set aside in a trust to be established by the City.

The retiree medical benefit will be funded by a charge of 0.25% of payroll in each year of this Agreement, so that contributions are at 1% of the payroll in the fourth year of the Agreement. The City will fund the benefit at approximately 1% of the payroll for every year thereafter with the intent of achieving a funding level of 70% after 30 years. The funding will be ongoing to maintain a 70% funding level thereafter.

Effective June 28, 2009, a total charge of twenty-six thousand, six hundred and forty (\$26,640) of employee payroll will be charged in the final three years of the Agreement so that contributions are at 1.764% in the final year of the Agreement. The purpose of the 0.764% increase in payroll contributions is to fund Pre Age 65 Retiree Health Insurance.

25.9 Actuarial Study

The Union understands and acknowledges that the City conducted an actuarial study to determine the percentage of payroll it needed to set aside each year and the rate of return of 7% it must achieve to fund the retiree health benefit provided in this Section. The City will conduct an actuarial study by an outside actuary of the retiree medical plan prior to June 30, 2002. After that time, the City will conduct an actuarial study by the outside actuary of the retiree medical plan every two to three years to review the funding status of the program. The outside actuary will be selected by mutual agreement of the parties. The Union and City agree that if the Actuary concludes that the City's funding of this benefit by contribution of 1% of the payroll for all miscellaneous employees is insufficient to fully fund the retiree medical benefits, the City shall not be required to increase its funding for this benefit to more than 1% of the payroll for miscellaneous employees. In the event that there are insufficient funds in the trust to cover all retirees' monthly health premiums, the City and the Union agree to meet and confer regarding the City's distribution of its 1% contribution.

ARTICLE 5 – TERMS AND CONDITIONS OF EMPLOYMENT

SECTION 26: PROBATIONARY PERIOD

26.1 Duration and Effect of Military Leave on Probationary Period

Original and promotional appointments from employment lists shall be tentative and subject to a probationary period of: one (1) year (full time equivalent exclusive of all leave and light duty completed within 18 months) upon original appointment to the unit; employees promoted within the unit are subject to a probationary period of six (6) months (half time equivalent exclusive of all leave and light duty completed within one year); in addition, employees in trainee programs with specified training, evaluation or probation periods shall be governed by the applicable provisions of such program. Probationary employees who are granted military leaves of absence shall complete the balance of their probationary period within a period of six (6) months following their return to City service. No provision of this Section shall be interpreted to preclude the City from establishing new classifications, which may require a probationary period of more than six (6) months.

26.2 Provisional Appointments to a Higher Classification

If, before completing the required probationary period, an employee is provisionally appointed to a higher class in the same or a related series of classes, the time served in such higher class shall be counted toward completion of the probationary period in the lower class.

26.3 Report Requirement

If the service of the probationary employee has been satisfactory to the department head, the department head shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such probationer in the service is desired. If such service has been unsatisfactory, the department head shall file with the Director of Human Resources such a statement in writing with the recommendation to the City Manager that the employee be rejected.

26.4 Rejection during Probationary Period

During the probationary period, an employee may be rejected at any time without right of appeal or hearing in any manner. An employee rejected from a position to which he has been promoted shall be reinstated to the position from which he was promoted unless charges are filed and he is discharged as provided in Section 31 (Discharge). Career City employees who are rejected during their probationary

period in a promotional position or fail to complete the training requirements of a training program (academics or OJT) shall revert to their prior classification.

26.5 Rejections Subject to Disciplinary Appeal

A promoted employee may not grieve his or her rejection from probationary period/training. However, an employee disciplined for cause while on promotional probationary period shall have access to the disciplinary appeal procedure.

26.6 Probationary or Temporary Employee Assignments

No probationary or temporary employee will be assigned as the only ground worker with an Electrician until such employee has completed one (1) month of familiarization with aerial truck equipment.

SECTION 27: TRANSFER

A transfer may be made at any time by the City Manager. Transfer shall not be used to effect a promotion, demotion, advancement, or reduction, each of which may be accomplished only as provided elsewhere in this Memorandum Agreement. No person shall be transferred to a position for which he or she does not possess the minimum qualifications. An employee with permanent status who is transferred from one class to another class shall assume permanent status in the class to which the employee is transferred.

SECTION 28: PROMOTION

Insofar as practicable and consistent with the best interests of the service, all vacancies in the competitive service shall be filled by promotion from within the competitive service after a promotional examination has been given and a promotional list established.

If, in the opinion of the City Manager, the best interests of the service can be served by an open, competitive examination instead of a closed, promotional examination, and if there is not already a promotional list for the higher position, which list has not been abolished and from which the vacancy could be filled, then the City Manager may instruct the Director of Human Resources to call for applications for the vacancy and arrange for an open, competitive examination and for the preparation and publication of an eligibility list.

Interview of Employees

A City employee who is on a closed promotional or open competitive list shall have the option to interview for the vacancy. A City employee who is unsuccessful and who so requests shall be advised of steps he or she may take to increase his or her competitive standing for future promotional opportunities.

Employees who have qualified for promotional lists shall be considered for promotion based on the following factors: previous work performance, previous training and experience, merit, ability, and seniority.

SECTION 29: DEMOTION

The City Manager may demote an employee who so requests it, or whose ability to perform his or her required duties falls below standard, or for disciplinary purposes. No employee shall be demoted to a class for which he does not possess the minimum qualifications as determined by the Director of Human Resources.

Notice of the demotion shall be given the employee not later than four (4) weeks prior to the effective date of demotion and a copy of said notice filed with the Director of Human Resources. Any employee who has been demoted shall be entitled to receive a written statement of the reasons for such action.

An employee with permanent status who is demoted shall assume permanent status in the class to which he or she is demoted.

Upon request of the employee, demotion may be made to a vacant position as a substitution for layoff. In such cases, the employee shall be restored to his or her former position without further examination whenever such position is again to be filled.

SECTION 30: SUSPENSION

The City Manager may suspend an employee from his position at any time for the good of the service, for a disciplinary purpose, or for other just cause. Suspension without pay shall not exceed twenty (20) working days, nor shall any employee be penalized by suspension for more than twenty (20) days in any fiscal year. Any employee who has been suspended shall be entitled to receive a written statement of the reasons for such action.

For the good of the service, a department head may suspend an employee for not more than three (3) working days for any one offense. Such suspension shall be reported immediately to the City Manager.

SECTION 31: DISCHARGE

An employee may be discharged at any time by the City Manager, but if the probationary period has been completed then such discharge must be for just cause. Any employee who has been discharged shall be entitled to receive a written statement of the reasons for such action.

SECTION 32: RESIGNATION

An employee wishing to leave the competitive service in good standing shall file with the department head, at least two (2) weeks before leaving the service, a written resignation stating the effective date and reasons for leaving. The resignation shall be forwarded to the Director of Human Resources with a statement by the department head as to the resigned employee's service performance and other pertinent information concerning the cause for resignation. Failure of the employee to give the notice required shall be entered on the service record of the employee and may be cause for denying future employment by the City. The resignation of an employee who fails to give notice shall be reported by the department head immediately.

SECTION 33: REINSTATEMENT

A permanent or probationary employee who has resigned with a good record may be reinstated within two (2) years to his or her former position, if vacant, or to a vacant position in the same or comparable class without further competitive examination. This Section shall not be interpreted as a guarantee of reinstatement to an employee who has resigned with a good record and requests reinstatement within two (2) years.

SECTION 34: NOTICE OF TERMINATION

Department head shall notify the Director of Human Resources of all terminations of employment before or within two (2) days after the termination has taken place. Such notice shall be on forms provided by the Director of Human Resources and shall indicate the effective date and reasons for termination and a statement certifying whether or not the employee's services have been satisfactory.

ARTICLE 6 - GRIEVANCE AND DISCIPLINARY APPEAL PROCEDURE

SECTION 35: GRIEVANCES

35.1 Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations, and resolutions which have been or may hereafter be adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations, and resolutions as may be adopted by the City Council to effect memorandum agreements which result from the meeting and conferring process.

A grievant may be any member of the bargaining unit covered by the terms of this Agreement, or the grievant may designate the Union to act on his or her behalf, or the Union itself may file a grievance on behalf of a member or group of members. Grievances must be filed in a timely manner. Grievances that are filed by the Union on behalf of a member or group of members, or when a grievant designates the Union to act on his or her behalf, are subject to settlement at any step of the grievance procedure at the Union's sole discretion.

A member of the bargaining unit that files a grievance where the Union is not representing or acting on the grievant's behalf, may only utilize this grievance procedure through step 3. The Union retains the sole discretion to refer which, if any, grievances to move to arbitration.

The parties agree that disclosure to the other party of all relevant information available to them is critical to the successful resolution of grievances at the lowest possible step of the grievance procedure. The parties therefore agree to disclose to each other the relevant information in their possession related to the grievance. Further, the parties agree to comply with reasonable grievance related information requests from the other party in a timely manner.

35.2 Procedure

Grievances shall be processed in the following manner:

35.2.1 Informal Step

An employee who believes that he or she has a grievance (and / or the employee's steward or Union representative) may discuss the complaint with the Deputy Director of Public Works, or with such subordinate management official as the Deputy Director may designate. If the issue is not resolved informally, the formal procedures hereinafter specified may be invoked.

35.2.2 First Formal Step

Any informal grievance which has not been resolved by the Deputy Director of Public Works or his or her designee, must be filed in writing to the Deputy Director of Public Works within thirty (30) days from the date the informal discussion was initiated. The written grievance must state specific issues involved, the decision rendered at the informal step, and the remedy sought. The Deputy Director or his or her designee shall have five (5) days to respond in writing to the formal, written grievance.

35.2.3 Second Formal Step

Any formal grievance which has not been resolved by the Deputy Director of Public Works or his or her designee, may be referred to the Director of Public Works or his or her designee within thirty (30) days from the date of the Deputy Director's formal written response, or if more than five (5) days have elapsed since the grievance was presented at the Deputy Director's level.

35.2.3.1 Referral to Department Director

The grievance may be referred to the Director's level and shall include a copy of the original grievance, the decision rendered at the Deputy Director's level, and a clear, concise statement of the reasons for the referral.

The Director of Public Works may designate a personnel representative to investigate the merits of the complaint, to meet with the complaining employee (and/or the employee's steward

or Union representative); if the grievant is not the Union itself, to meet with the officials of the Union; and to settle such grievance or to make recommendations thereon to the City Manager in his or her capacity as an employee relations officer. The Director of Public Works shall issue a formal written decision within five (5) days of receipt of the grievance or if a meeting is held with the employee and his or her Union, the meeting must be held within ten (10) days of receiving the referral. The Director of Public Works or his or her designee shall issue a written decision within five (5) days from his or her meeting with the complaining employee and/or Union representative. If the issue is not resolved the grievance may be referred to the Third Formal Step within thirty (30) days of receipt of the response from the Director of Public Works.

35.2.4 Third Formal Step

Any grievance which has not been resolved by the procedures hereinabove set forth may be referred to the City Manager by the grievant, the Union, or the Director of Public Works. Any such referral shall be in writing including a copy of the original grievance, the decision rendered at the Director's level, and a clear, concise statement of the reasons for the referral. The City Manager shall designate a Human Resources representative to investigate the merits of the complaint, and upon request from the employee or the union, that representative to meet with the complaining employee (and/or the employee's steward or Union representative), if the grievant is not the Union itself, to meet also with the officials of the Union, and to settle such grievance or to make recommendations thereon to the City Manager in his or her capacity as an employee relations officer.

The City Manager shall issue a decision within ten (10) days of receipt of the grievance referral or within ten (10) days of the meeting, or if a meeting is held with the employee and/or the Union, the meeting must be held within ten (10) days of the referral. Grievances filed by a bargaining member where the Union is not representing or acting on the grievant's behalf, shall end at this step and no further right of appeal exists. The City Manager's decision shall be final.

Union controlled grievances:

If the issue is not resolved, the grievance may be referred to Arbitration by the Union pursuant to Section 35.2.5 (Arbitration: The Union retains the sole discretion to move a grievance to arbitration) below within thirty (30) days of receipt of the City Manager's response. Provided further that the Union shall forward to the City the Union's portion of the State Mediation and Conciliation Services (SMCS) fee within sixty (60) days of receipt of the City Manager's response. Failure by the Union to meet this sixty (60) days deadline for both referral to Arbitration and payment of the SMCS fee shall be deemed as a full and complete waiver by the Union to appeal the City Manager decision to Arbitration and the City Manager decision shall be final and binding on all parties.

35.2.5 Arbitration: The Union retains the sole discretion to move a grievance to arbitration.

Any grievance which has not been resolved by the procedures hereinabove set forth may be referred by the Union, or the City to an impartial arbitrator who shall be designated by mutual agreement between the Union and the City, using the State Mediation and Conciliation Services (SMCS) to provide a list of five (5) arbitrators. The City and the Union will alternately strike a name until one remains. The remaining name will be the arbitrator. The fees and expenses of the arbitrator, the State Mediation and Conciliation Services (SMCS) and of the court reporter shall be shared equally by the Union and the City. Each party, however, shall bear the cost of its own presentation, including preparation and post-hearing briefs, if any. Arbitrator decisions on matters properly before them shall be final and binding on both parties.

The arbitrator may hear testimony, receive written briefs, interview witnesses, and conduct any investigation she or he deems appropriate, and shall render a final and binding decision to the parties which will end the formal grievance process.

35.2.5.1 Arbitrator Jurisdiction

No arbitrator shall entertain, hear, decide, or make recommendations on any dispute involving a position over which a formally recognized employee organization has jurisdiction unless such dispute falls within the definition of a grievance as hereinabove set forth in Section 35 (Grievances).

35.2.5.2 No Modifications

Proposals to add to or change this Memorandum Agreement or written agreements or addenda supplementary hereto shall not be arbitrable, and no proposal to modify, amend, or terminate this Memorandum Agreement, nor any matter arising out of or in connection with such proposal, may be referred for arbitration under this Section; and no arbitrator shall have the power to amend or modify or recommend amendment or modification of this Memorandum Agreement or any written agreements or addenda supplementary hereto or to establish or recommend establishment of any new terms and conditions of employment.

35.2.5.3 Timeliness of Award

No arbitrator will be selected hereunder who does not agree to render an award not later than thirty (30) calendar days after the close of the hearing. By mutual agreement between the City and the Union, the arbitrator may render an award immediately upon the conclusion of the presentation of evidence.

35.3 EEO Complaints

Any grievance which in any way affects the implementation of the City's Equal Employment Opportunity Policy shall not be subject to arbitration. The decision as to whether or not implementation of the Equal Employment Opportunity Policy is in any way involved shall be made by the City Manager in his or her sole discretion. If, in his or her judgment, any grievance which involves the Equal Employment Opportunity Policy, the Equal Employment Opportunity and Diversity Officer shall notify the Union to that effect in writing within seven (7) days of the date upon which the grievance is received in the Human Resources Department and, in such notification, refer to that Section of the Equal Employment Opportunity Complaint Investigation & Resolution Procedure which is involved; provided, however, that such notice may come at any time prior to arbitration if additional factors come to the attention of the Equal Employment Opportunity and Diversity Officer on the basis of which he or she considers it appropriate to change his or her original determination.

35.4 Compensation Complaints

All complaints involving or concerning the payment of compensation shall be initially filed in writing with the Director of Human Resources. In such cases, no adjustment shall be retroactive for more than thirty (30) days from the date upon which the complaint was filed or thirty (30) days from the date when an employee may reasonably be expected to have learned of said claimed violation. Only grievants which allege that employees are not being compensated in accordance with the rules, regulations, and resolutions of the City Council or in accordance with the understanding contained in any Memorandum Agreement which has resulted from the meeting and conferring process shall be considered as grievances. Any other matters of compensation are to be resolved in the meeting and conferring process and, if not detailed in the memorandum agreement which results from such meeting and conferring process, shall be deemed withdrawn until the meeting and conferring process is next open for such discussion.

35.4.1 Response Time Limits

The Director of Human Resources or his or her designee shall issue a decision in writing within twenty (20) days from the time he or she received the compensation grievance in writing. The grievant or the Union may refer the decision to the Third Formal Step (Section 35.2.4 - Third Formal Step) of this Memorandum Agreement) within twenty (20) days of receipt of the written decision.

35.5 Changes or Interpretations

No changes in this Memorandum Agreement or interpretation thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the City Manager and the Union.

35.6 Extension of Timelines

Timelines noted in this Section may be extended for cause upon mutual agreement between the City and the Union.

35.7 Days

All references in this Section 35 (Grievances) to "days" shall mean normal working days except as otherwise noted.

35.8 Grievances Challenging Disciplinary Action

- 35.8.1 Any grievance involving any disciplinary action up to as three (3) day suspension will be filed at the Director level.
- 35.8.2 All grievances involving demotion, discharge, or suspension of greater than three (3) days will be filed at the City Manager's level of the grievance procedure. If the issue is not resolved within fifteen (15) days of referral to this step, the procedures hereinafter specified may be invoked.
- 35.8.3 No grievance involving the suspension or discharge of an employee will be entertained unless it is filed in writing with the City Manager within five (5) working days of the time at which the affected employee was notified of such action in writing. If the City Manager, in pursuance of the procedures outlined in Section 35.2.4 (Third Formal Step) above, resolves a grievance which involves suspension or discharge, he or she may agree to payment for lost time or to reinstatement with or without payment for lost time.
- 35.8.4 Arbitrator decisions on matters properly before them which pertain to the suspension or discharge of an employee shall be final and binding on both parties, to the extent permitted by the Charter of the City.

ARTICLE 7 – GENERAL PROVISIONS**SECTION 36: GENERAL PROVISIONS****36.1 Personal Conduct**

- 36.1.1 No employee shall accept appointment to the deputyship or assistantship of any county or state office or position, or otherwise incur an obligation of civil public service outside his or her regular municipal employment without first obtaining the recommendation of the head of his or her department and of the City Manager.

Responsibility for developing training programs for employees shall be assumed by the City Manager. Such training programs may include lecture courses, demonstrations, assignment of reading matter, or such other devices as may be available for the purpose of improving the efficiency and broadening the knowledge of municipal employees in the performance of their duties. The City shall endeavor to provide training for all new technology purchased by the City and maintained by members of this Agreement.

36.5.2 Advancement/Promotional Consideration for Special Training Courses

36.5.4.1 Who are required to obtain a license (excluding Class C driver's licenses) issued by the State of California and, in order to do so, must take courses which were not offered as a part of their basic curriculum or,

36.5.4.2 Who are required to obtain continuing education as a condition of license renewal; provided the license is required by the City for the employment or continued employment of the employee and that no more hours than are required by the State shall be granted. Employees seeking time off to take courses for an initial

license must provide verification that the course was not offered as a part of their basic curriculum.

Employees who take classes during non-scheduled work hours in order to retain a job required license or to meet continuing education requirements shall be allowed time off from work on an hour-for-hour basis without loss of compensation or other benefits.

36.5.4.3 To obtain education and training related to job skills to enhance performance, or to qualify for promotion, at the discretion of the department head.

36.5.5 Management/Union Meetings

The City and Union agree that it is beneficial to both parties to discuss and develop training for all classifications. The Director of Public Works and the Union shall meet on a quarterly basis to discuss and review progress made in addressing initial employee orientation, new equipment training, and vendor training.

36.5.6 Commercial Driver's License

The City shall provide the necessary training for employees to obtain a California Class B driver's license when such license is a requirement of their job classification and a condition of employment. Employees who fail to obtain the required California Class B driver's license after training will be subject to rejection from the probationary period pursuant to Section 26.4 (Rejection during Probationary Period) of this Memorandum Agreement.

36.6 Use of Automobiles

The City Manager shall govern the use of City-owned automotive equipment and privately-owned automotive equipment by such rules and regulations as he or she may establish. Compensation shall be given in the form of a cash allowance for the use of private-owned automobiles on City business if such use has been authorized in advance by the City Manager. The cash allowance will be equal to the amount established by the Internal Revenue Service, and will change as necessary to comply with IRS Standard Mileage Rate.

36.7 Safety

36.7.1 Safety Committee

The City and the Union will make every effort to maintain excellent health and safety standards. No employee shall be required to perform work with unsafe equipment or in situations which are injurious to his or her health or safety. To further these purposes, the City shall maintain an ongoing safety program which shall include committees comprised of representatives from the Union and appropriate supervisory personnel.

36.7.2 Rainy Weather Assignments

The City shall endeavor to avoid assigning non-emergency, routine work in rainy weather, which would constitute a safety hazard.

36.8 YMCA Group Membership

The City shall offer employees a low or no-cost group membership in the Berkeley Central YMCA. As of July 1, 1999, the City will pay 75% of the membership fee. If the monthly fee is increased to more than \$60, the employee share will be capped at \$30 per month; the City will pay the balance. The amount the City contributes toward the employee's monthly membership fee is subject to federal and state income tax withholding.

Use of the YMCA membership by a City of Berkeley employee, as provided for in this Agreement, is non-compensable, is not a part of the employee's work-related duties, is not required for employment and is not condoned as part of a physical fitness program, or required to remain top physical conditioning for the employee's job performance.

The City of Berkeley or its Claims Administrator may not be liable for any injury that arises out of a City of Berkeley employee's participation in and use of a YMCA membership.

36.9 Annual Performance Evaluation

The City may implement a program of annual performance evaluation. Such evaluations shall be conducted by the employee's immediate supervisor and reviewed by additional levels of supervision. Each employee may make written comments on the evaluation, which shall be made a part of the employee's personnel records.

Effective July 3, 1994, contributions made pursuant to Section 37.5 above have been reported to CalPERS as "special compensation" as provided in Government Code Section 20636(c)(4) pursuant to Section 20691. Said contributions shall not apply in the case of temporary or provisional employees.

The member contributions made by the City shall not be considered as a part of an employee's salary for the purpose of computing straight time earnings, compensation for overtime worked, or education incentive pay; nor shall such contribution be taken into account in determining the level of any other benefit which is a function of or percentage of salary. Pursuant to California Government Code Section 20691, the City shall not increase, reduce or eliminate payments of the normal contributions on behalf of the employee without engaging in the meet and confer process with the Union.

The City will not treat these contributions as compensation subject to income tax withholding unless the Internal Revenue Service or Franchise Tax Board indicates that such contributions are taxable income subject to withholding. Each employee shall be solely and personally responsible for any federal, state or local tax liability of the employee that may arise out of the implementation of this Section or any penalty that may be imposed therefore.

37.9 Index Level 1959 Survivor Benefit

37.10 Classic Members' Pension Contribution through 20516 a Contract Amendment

37.10.1 July 3, 2016

Effective July 3, 2016, employees will contribute one and one-quarter percent (1.25%) toward the City's CalPERS employer share of pension through a 20516 CalPERS amendment that allows such contributions via automatic payroll deduction on a pre-tax basis, in exchange for the City granting the salary increase set forth in Section 11.1.5 (July 3, 2016 - Salary/PERS Exchange) of this MA. Such employee deductions by the City shall be used towards the City's CalPERS required contributions.

37.11 New Members' Pension Contributions through 20516 a Contract Amendment**37.11.1 July 3, 2016**

Effective July 3, 2016, in addition to the contributions in Section 37.4 (CalPERS Retirement Formula for "New Members" as Defined Under the Public Employees' Pension Reform Act of 2013 (PEPRA)), New Members will contribute one and one-quarter percent (1.25%) towards the City's CalPERS employer share of pension through a 20516 CalPERS amendment that allows such contributions as pre-tax via automatic payroll deduction, in exchange for the City granting the salary increase set forth in Section 11.1.5 (July 3, 2016 - Salary/PERS Exchange) of this MA. Such employee deductions by the City shall be used towards the City's CalPERS required contributions.

37.11.2 The parties recognize that the CalPERS 20516 amendment that allows employee contributions toward the employer rate is in addition to the required 50% of the normal cost of "New Members" benefits and made in consideration of additional salary increases in Section 11.1.5 (July 3, 2016 - Salary/PERS Exchange) above (a total of 1% salary increases in exchange for employees paying a total of 1.25% towards CalPERS pension cost).

As soon as administratively possible, following council approval of this agreement, the additional contribution of 1.25%, as indicated in Section 37.11.1, shall be eliminated through a contract amendment with CalPERS. The start of the first full pay period following completion of the contract amendment shall be the effective date of the reduction.

SECTION 38: SUPPLEMENTAL RETIREMENT/DISABILITY INSURANCE PLAN

Effective January 1, 1983, the majority of miscellaneous employees under the City's contract with the State of California Public Employees Retirement System who were covered by the integrated Social Security Program voted to withdraw from participation in the Federal Social Security Program. In lieu of Social Security payments, the City has agreed to pay an amount equal to that percent of individual pay (6.7% payable on the first \$32,400 of salary paid in the calendar year) which had been paid by the City to Social Security as of December 31, 1982 to a Supplemental Retirement and Income and Long Term Disability Insurance Plan for those employees previously covered under the

integrated PERS/Social Security Plan. Provisions of this plan are described in Berkeley Municipal Code Chapter 04.36.101 (Supplemental Retirement and Income Plan I) as amended and Berkeley Municipal Code Chapter 04.38.101 (Supplemental Retirement and Income Plan II) as amended. All employees hired after July 22, 1988 are in SRIP II. All employees hired prior to July 22, 1988 are in SRIP I unless they chose to enroll in SRIP II prior to December 17, 1988.

ARTICLE 9 - LAYOFF PROCEDURE

SECTION 39: LAYOFF

The layoff policy for the City of Berkeley is intended to provide the maximum employment protection of the City staff should a layoff become necessary. The policy also aims to minimize the impact such a layoff might have on the City's affirmative action accomplishments.

39.1 Announcement of Layoff

39.1.1 Notification

The City Council, City Manager, and department head shall make every reasonable effort to manage and budget the City's resources effectively and to plan for the delivery of City services in a manner which will avoid the necessity of laying off career City employees. If a reduction in the work force for more than thirty (30) calendar days is necessitated by, but not limited to, the following: a material change in duties and organization, adverse working conditions, return of employee from leave of absence, or shortage of work or funds, the City Manager shall notify the Director of Human Resources of the intended action and the reason for the layoff.

39.1.2 Freezing of Vacancies

Immediately following a decision which may involve the potential layoff of career City employees, the City Manager shall freeze all current City vacancies in the competitive service in similar and related classifications to those likely to be targeted for layoff, as well as all related full-time, benefited, temporary positions which are expected to last six (6) months or more, and notify all department heads that such current and anticipated vacancies will be frozen until further notice in order to implement the provisions of Section 39.6 (Flexible Placement Program).

39.2 Seniority Service Date

39.2.1 All service in the employ of the City shall be counted toward the establishment of an employee's seniority service date, including, for example, permanent, probationary, provisional, temporary (full-time and intermittent), seasonal, and exempt employment, as well as leaves of absence for obligatory military service while an employee of the City. Less than full-time service will be consolidated in equivalences of full-time service for the purpose of establishing the seniority service date. Time off as a result of formal disciplinary action will be subtracted from the seniority service date.

39.2.2 The auditor's office will maintain up-to-date and current seniority dates for all City employees holding probationary and permanent appointments.

39.3 Establishment of Seniority Lists

39.3.1 Whenever a layoff of one or more career employees becomes necessary, as defined above, such layoffs shall be made according to City-wide classification seniority lists. Upon receiving notification that the City Manager must proceed with a possible reduction in the work force, and following receipt of information concerning the specific positions, programs, and departments involved, the Human Resources Department will immediately establish separate probationary and permanent seniority lists for each classification targeted for layoff.

39.3.2 The names of all City employees holding permanent and probationary appointments in a given classification will be listed on the appropriate list in descending order by seniority service date. Employees on both lists shall be laid off on the basis of their seniority service date, i.e., employees with the least amount of total service shall be laid off first. All emergency, temporary, and provisional employees working in classifications similar to those identified for layoff must be terminated prior to the layoff of probationary or permanent employees. Employees on the probationary seniority list for a specific classification will be laid off prior to employees on the permanent seniority list for that classification.

39.3.3 Probationary or permanent employees temporarily acting out of classification and holding a provisional appointment in another classification will only be listed on a seniority list of the classification in which they hold permanent or probationary status targeted for layoff.

39.3.4 If two (2) or more employees on a seniority list have an identical seniority service date, the tie shall be broken in the following order:

39.3.4.1 Time in classification - the employee having least time in the classification shall be released first;

39.3.4.2 By lot

39.4 Employee Retreat Rights

39.4.1 Before an employee with permanent or probationary status may be released from employment with the City of Berkeley, the Human Resources Department must consider the employee's right to retreat to lower level classifications through which he or she was originally promoted or any subsequently created intermediate level career classification which provides normal progression through the classification series. Retreat rights shall also extend to employees who have not previously been promoted through a classification but for whom the classification is a natural progression or beginning in the classification series.

39.4.2 In the process of retreating, the same rules concerning the length of service, classification seniority lists, etc., apply as in the first stage of the layoff process. In order to retreat, the targeted employee must be higher on the seniority list for the classification into which he or she is retreating than at least one of the incumbents on the probationary or permanent seniority list for that classification.

39.4.3 If an employee is qualified for retreat into more than one classification with comparable salary ranges, or if a vacancy exists in a classification to which an employee is entitled to retreat, the options shall be discussed with the employee and due consideration shall be given to the employee's preferences. However, it is the prerogative of the City Manager to determine the final placement offer to the employee.

39.4.4 The retreating employee has a right to be retained in the highest salary range possible which is equal to or less than his or her present salary range. An employee involved in layoff does not have a right of mandatory placement to positions with a higher salary range, i.e., promotion.

39.5 Employee Notification

- 39.5.1 Emergency, temporary, intermittent, seasonal, etc., employees shall be notified individually, in writing, of pending layoff as soon as possible, but no definite time period is required. However, at least two (2) weeks notification is desirable if possible.
- 39.5.2 Provisional employees shall be notified individually, in writing, of pending layoff as soon as possible, with no less than fifteen (15) calendar days notification if targeted for release or reassignment.
- 39.5.3 Permanent, probationary, and career-exempt employees should be notified individually in writing of pending layoffs as soon as possible, with no less than thirty (30) calendar days notification if targeted for release or reassignment.

If an employee fails to accept a bona fide offer of reassignment within ten (10) calendar days after the offer has been made, he or she forfeits further right to employment retention. Acceptance of a reassignment does not remove the right of appeal under Section 39.9 (Appeal Procedure).

- 35.5.4 An employee who is transferred in lieu of layoff when his or her position has been eliminated shall have automatic return rights to the previous position if it is restored within one (1) year of the date of the transfer. If an employee with a full-time position is offered a reduction in hours in that position or in a lower classification, the employee may elect to be targeted for layoff for purpose of consideration under Section 39.6 (Flexible Placement Program.) If there is no flexible placement available for the employee, the employee may accept the reduction in hours, in lieu of layoff.

39.6 Flexible Placement Program

- 39.6.1 In order to minimize the negative impact of layoff, the City Manager will, as previously stated in Section 39.1.2 (Freezing of Vacancies), impose a citywide freeze on all appropriate vacancies as soon as it has been determined that a layoff of career City employees may be necessary.
- 39.6.2 Following the release of all emergency, temporary, and provisional employees in classes similar to those targeted for layoff, and as soon as employees targeted for layoff have been identified and the provisions under Sections 39.4 (Employee Retreat Rights) have been carried out,

2022-2025 Memorandum Agreement**City of Berkeley****IBEW Local 1245**

the Human Resources Department will review and identify the frozen vacant classifications into which employees ultimately targeted for layoff may be placed on the basis of total experience and education. In making this decision, a waiver of minimum qualification standards, and/or the substitution of related experience and education may be made, with an understanding on the part of management and supervisory personnel that adequate on-the-job training, which can be completed within no more than six (6) months, will be provided to facilitate job adjustment and to compensate for the waiver of qualification standards if that has occurred.

This shall be called the qualification period. The employee shall be advised of their progress after two months and four and six months in the new classification. If at the end of the qualification period the department head notifies the Human Resources Department that the employee is unable to adequately perform the assignment or fails a test for the position administered by Human Resources then the employee shall be subject to the layoff process.

- 39.6.3 Assignments under the Flexible Placement Program shall be limited to positions in the same or lesser salary range as the classification from which the employee is to be laid off, except that the City Manager may authorize the offer of a flexible placement to position with a maximum salary of no more than five (5) percent above the salary range as the classification from which layoff is targeted, when it is in the best interest of the City service to do so. Whenever flexible placement is made to a classification with a greater salary range, the appointment shall be probationary, in accordance with the terms of that classification.
- 39.6.4 Offers to positions under the Flexible Placement Program shall be made according to seniority service date and in accordance with the probationary and permanent seniority list certification process outlined in Section 39.3 (Establishment of Seniority Lists). All offers and placements made under this provision of the layoff policy shall be documented in detail, with records available for audit and review at all times.
- 39.6.5 If an employee fails to accept a bona fide written offer of an alternative job within ten (10) calendar days after the offer has been made, he or she forfeits further rights to employment retention. Acceptance of an alternative job under the Flexible Placement Program in no way jeopardizes an employee's standing on the reemployment priority lists on which his or her name has been placed in accordance with Section 39.7 (Reemployment Lists).

39.7 Reemployment Lists

- 39.7.1 The names of all probationary and permanent employees released from positions in the competitive service as a result of layoff must be placed on reemployment priority lists for those classifications from which they were separated, as well as all other classifications to which they have retreat rights in accordance with Section 39.4 (Employee Retreat Rights).
- 39.7.2 A reemployment priority list shall remain in effect for three (3) years.
- 39.7.3 Departments with vacancies in any classification for which there is an active reemployment priority list must use the reemployment priority list to fill their positions and may not use any other recruitment or appointment method to fill a vacancy until appropriate reemployment lists have been exhausted.
- 39.7.4 When a vacancy occurs in a class for which there is a reemployment priority list, the name of the employee on the appropriate reemployment priority list with the highest seniority date shall be certified to the selecting official. Employees so certified from the reemployment priority list must be appointed to the existing vacancy.
- 39.7.5 If a former employee fails to accept a bona fide written offer of reemployment within fifteen (15) calendar days, his or her name will be removed permanently from the reemployment priority list from which the offer was made. Failure to accept an offer of reemployment to the classification with the highest salary range for which the employee is eligible for reemployment will result in automatic removal from all reemployment priority lists. However, the employee may decline (or accept) reemployment to lower salary range classifications without jeopardizing his or her standing on the reemployment priority list for the classification from which he or she was originally terminated.
- 39.7.6 Upon reappointment to the classification from which the employee was originally separated or demoted, the employee has the right to be placed at the step of the salary range which the employee held at the time of layoff or demotion.

39.8 Career Exempt Employees

Only those employees holding full-time, benefited, exempt positions, who in the past have achieved permanent status and have been continuously employed without a break in service between their career and exempt appointment, have the right to

retreat to previously held career classifications, placement on the reemployment priority lists, and all other provisions governing layoff procedures. For the purpose of layoff, such employees shall be referred to as "career-exempt."

39.9 Appeal Procedures

Any permanent, probationary, or career-exempt employee who is laid off, demoted, or reassigned as a result of layoff who believes that the layoff procedure has been improperly administered as it pertains to the employee's case may appeal the action under Section 35 (Grievances). In addition, employees may, at all times before, during, and subsequent to layoff, review all records, including seniority lists, reemployment priority lists, documentation pertaining to appointments under the Flexible Placement Program, etc., which pertain to their classification and their rights under the provisions of the layoff policy.

39.10 Reemployment Priority Rights

If it is determined that a vacancy has been filled by a non-reemployment priority list eligible in a classification for which a reemployment priority list existed and which included available applicants at the time, the former employee with reemployment rights shall be hired and given retroactive pay from the date that the vacancy occurred. The employee who was originally hired to fill the vacancy shall continue to be retained in City employment, provided he or she has completed the probationary period.

EXHIBIT D - HOURS AND DAYS OF WORK

The hours and days of work applicable to employees in Representation Unit C, as set by the City Manager, are presently as follows:

1. Hours per Day

Field Operations:

Working arrangements may vary as to daily schedules under the reduced workweek.

Flexible Hours:

On a job-by-job basis, with prior approval of the Senior Electrical Supervisor, a crew may schedule a workday, or workdays, other than the normal workday schedule of 7:00 a.m. to 3:30 p.m.

2. Hours per Week (Basic)

Field Operations:

40 hours. However, employees in Representation Unit C as of January 9, 2000 have the option of retaining a 37.5-hour per week work schedule. An employee will have an option to change his work schedule to 40 hour per week at the beginning of a payroll period. An employee will have a one-time option to revert to a 37.5 hour per week work schedule at the beginning of a payroll period. After exercising this one time option, if the employee chooses to change his work schedule to 40 hours per week, the employee must maintain this work schedule for the balance of his career in this Representation Unit. All persons hired on or after January 9, 2000 will work a 40-hour per week schedule and will not be permitted to change his or her work schedule to 37.5 hours per week.

The parties may agree in writing to alternative work schedules other than those set forth in this Agreement, such as a 9-80 work schedule which produces an 80-hour pay period with the hours worked in nine work days. The City will take into consideration its operational needs, including the impact of potential overtime, in deciding whether to approve an alternate work schedule. However, such alternate work schedule will not be unreasonably denied.

3. Work Week

The work week will begin at 12:01 a.m., Sunday and end at Saturday midnight. Regular days off will be considered to be Saturday and Sunday.

EXHIBIT E - IMPLEMENTING THE REDUCED WORK SCHEDULE

NOTE:

This Exhibit E applies only to employees hired before January 9, 2000 who are permitted to work a 37.5 hour per week work schedule subject to the conditions set forth in Exhibit D (Hours and Days of Work).

The City and the Union agree that the implementation of the reduced work schedule which is to be effective June 29, 1986 will be as follows:

That one-fourth of the Electrical Division employees will be off every fourth Monday on a staggered basis. This time would be treated as a scheduled day off and could not be adjusted or moved. A yearly schedule would be set up at the beginning of the year so that each employee would know what days he would have off. Since the agreed upon reduced work schedule does not calculate evenly into one day off every four weeks, it is proposed that an additional day off (Friday) be given once every 16 weeks. This agreement very closely approximates the reduced work schedule. Any discrepancies would be credited to the employee's vacation at the end of the contract year.

For Fair Labor Standards Act purposes, the workweek is defined as 40 hours.

Sick leave, vacation, and other compensable leaves of absences shall be based on the 40 hour work week.

When a scheduled day off falls on a holiday, the next regularly scheduled work day shall be observed as the scheduled day off.

EXHIBIT F**DIRECTIVE PROHIBITING UNAUTHORIZED CONSTRUCTION**

July 31, 2001

To: Department Directors

From: Weldon Rucker  City ManagerSubject: **DIRECTIVE PROHIBITING UNAUTHORIZED CONSTRUCTION
OR FACILITY MAINTENANCE WORK IN CITY FACILITIES**

It has come to my attention that some construction, building maintenance and electrical work is being improperly performed at various facilities that are either owned or leased by the City. Because this work can affect the health and safety of all City employees and can result in a significant potential liability for the City, it is absolutely essential that any such work be done by competent and experienced individuals. Even if licensed contractors are brought in to do the work, they may not be fully aware of how their work will impact other City projects or facilities. Furthermore, already scarce City funds are wasted when Public Works has to correct improper or hazardous work performed by unauthorized individuals or contractors. Accordingly, such construction and maintenance work must only be performed by properly trained and supervised Public Works maintenance staff or contractors selected by, and under the direction of, the Public Works Department.

Therefore, I am reminding and directing all department directors to ensure that absolutely no construction, building maintenance or electrical work be performed in any City owned or leased facilities by contractors or anyone else not under the direction of Public Works. All construction and facility maintenance work is to be referred to the Public Works Department.

For routine maintenance, minor repairs, or minor physical modifications, contact the Public Works Customer Service representative at 644-6620. For larger construction projects, contact Public Works Capital Improvement Projects at 981-6330. Public Works can then make appropriate decisions as to whether construction or maintenance work should be performed by City employees or by outside contractors, utilities, or agencies.

Thank you, in advance, for your full compliance with this direction.
