Assignments over one (1) week shall be approved in advance by the City Manager, or his or her designee.

Eligibility: To be eligible for a higher classification assignment, the employee must work a minimum of one (1) day, meet the minimum qualifications, and perform the duties of the higher classification. Employees meeting these requirements will be compensated at the

2024-2027 Memorandum of Understanding**City of Berkeley****Public Employees Union, Local One**

lowest step of the higher classification that provides at least a five percent (5%) differential from their current salary. Excluded from this provision are all employees whose job classifications description explicitly includes regularly assuming administrative and/or supervisory responsibilities in the absence of another.

14.2 Training

For training purposes, employees not meeting all of the minimum qualifications for a higher classification may be temporarily assigned for a minimum of one (1) week, to perform the duties of the higher classification and will receive a five percent (5%) increase in their current base salary for the duration of the temporary assignment. Such assignments shall be in writing and shall indicate the reasons, length and duties of the assignment. Assignments shall be approved in advance by the City Manager, or his or her designee by an Employee Transaction Form, to be forwarded to the Human Resources Department for inclusion in the employee's official Personnel file.

14.3 Notification of Changes in Classification Duties and Responsibilities

Whenever a need for a change in the duties and responsibilities of any position occurs where matters of classification may be involved, the Department Head in whose department the position is located shall notify the City Manager through the Human Resources Department of that fact and the Union will be so advised by the Human Resources Director.

14.4 Notification of New Classification

The City shall notify the Union and upon written request discuss in advance the establishment of new career classifications if the work is related to work performed by classifications in Units M [PEU0], P-1 [PEU1] and P-2 [PEU1]. This procedure shall also be applicable to the reclassification of positions and changes to the minimum qualifications of classifications presently in such units.

14.5 Desk Audits

Upon request of the employee or their Department Head, the Human Resources Department shall, within ninety (90) days if possible, audit the position of the employee to determine if they are working out of classification. If Human Resources is not able to complete the desk audit within ninety days, they will be provided a written explanation of the reason. If the audit determines that the employee has been working in the higher class, the employee shall receive back pay to the payroll period closest to the date the position description questionnaire was received by the employee's supervisor. There will be a maximum of one (1) audit in a twenty-four (24) month period unless the employee is assigned to a different job in which case there may be another audit. This Section 14.5 (Desk Audits) is not applicable to salary equity reviews when the assignment fits within the existing classification.

Reclassification or reallocation of positions shall not be used as a mechanism, the sole purpose of which is to improperly circumvent the provisions of this MOU, including provisions relating to layoff, transfer, demotion, or promotion. Upon request, the City will provide the Union with a written yearly report of audits affecting Local 1 classification requested and performed.

14.6 Reclassifications

In the event the City reclassifies a position from a lower level classification to a higher level

Prior to appointment of an employee in a project-based position, the City will provide the Union with a written explanation of the reasons for its creation, including the job classification, expected timeline, expected source of funds, and reasons why use of a Project Based Position is in the best interest of the City service. It is understood between the parties that the use of this employment method is not to circumvent the creation of a permanent position within the right of representation by the Union. An employee receiving an initial appointment to such "Project Based Position" may be terminated no later than upon completion of the project or the duration of the external grant funding but in any case no longer than three years from the date of the original appointment.

All applicants for a "project based position" must meet the minimum qualifications of the classification. Career employees of the City will be given an opportunity to apply for a "Project Based Position(s)" and if appointed will be returned to their former position held prior to selection at termination. In the case of under payments, the Payroll Clerk shall submit the appropriate adjustments as soon as practicable.

Payroll errors identified by the Auditor will be communicated to the employee either directly by Auditor staff or through the Departmental Payroll Clerk. Under payments will be processed as soon as practicable.

Under payments will be processed as soon as practicable after they are brought to the attention of the Auditor's Department. If the employee is paid less than 80% of base salary as a result of an underpayment in the then-current pay period, the City shall process the underpayment within three business days after notification to the departmental payroll clerk and approval of the supervisor. All other underpayment adjustments will be processed on the next paycheck.

In the event of an overpayment, the Auditor's Office will determine a reasonable proposed repayment schedule and inform the employee of the proposed schedule directly, or through the Department Payroll Clerk. The affected employee shall be given an opportunity to discuss the schedule of repayment and, if necessary, to request an adjustment to the repayment schedule as a needed and reasonable accommodation. Factors considered in determining a reasonable accommodation for repayment of wages include, but are not limited to, the length of time the overpayment has occurred, the amount of the overpayment, the employee's normal salary, and other financial obligations of the employee. 24.3 Effect of Holidays upon Vacation Leave

In the event one or more municipal holidays fall within a vacation leave, such holidays shall not be charged as vacation leave, and the vacation leave shall be extended accordingly. The provisions of this Section shall not apply to those positions in which holidays, due to the necessities of public health and safety, are normal working days.

24.4 Maximum Vacation Accumulation

Employees may defer all or any portion of earned vacation to succeeding calendar years up to a maximum accumulated vacation of eight (8) weeks (320 Hours).

The City shall require all employees to reduce their accrued vacation balances to no more than 320 hours, as of the last pay period in February of each year of this Understanding. To effectuate the requirement that employees not accrue more than 320 hours vacation leave, the parties agree that not later than November 15 of each year of this Understanding, the City will provide the Union and Department Heads with a report identifying all employees who have accrued two hundred and eighty (280) hours of vacation leave and appear in danger of exceeding the 320 hour limit. Employees who have accrued 280 hours of vacation leave, as of that date, will be advised by their supervisor that they must take vacation leave to reduce their vacation leave accrual by February of the following year.

Supervisors should be flexible in granting employee vacation requests to those employees above, or approaching the 320 hours limit, and further, that with regard to employees who are in danger of exceeding the 320 hour limit, no vacation request by such an employee shall be unreasonably denied. If an employee who is in danger of exceeding the 320 hour limit fails by December 31 of each year of this Understanding to schedule a vacation to be taken before the last pay period in February of each year of this Understanding, the City has the authority to direct the employee to go on vacation leave to reduce the employee's accrued vacation to a maximum of 320 hours.

If, due to operational necessity, a department head denies an employee vacation leave and does not provide the employee with an alternate vacation date, and as a result causes the employee to exceed the 320 vacation leave limit, said employee shall nonetheless be entitled to use that vacation leave in the next calendar year to the extent necessary to reduce their accrued vacation to no more than 320 hours.

24.4.1 Terminal Vacation: Accumulated vacation may not be used immediately prior to retirement in order to extend the date of retirement, but shall instead be paid out in full upon retirement.

24.5 Effect of Extended Leave and Other Actions

24.5.1 Return from Leave: An employee who has returned from extended military leave or any other extended leave of absence without pay or who has been reemployed or reinstated shall be entitled, during the calendar year in which the employee returns to the City service, to a prorated vacation based upon the total years of service with the City and upon the total number of months of actual service with the City during the said calendar year. For succeeding calendar years, his or her vacation leave shall be as provided in the other sections of the Understanding

2024-2027 Memorandum of Understanding

pertaining to vacation leave.

24.5.2 Leave of Absence Without Pay: An employee who is granted a leave of absence without pay and who is off the payroll for less than one hundred sixty (160) consecutive hours shall be entitled to a full vacation. If such an employee is off the payroll for one hundred sixty (160) consecutive hours or more, his or her vacation shall be as provided for in Section 24.6 (Effect of Extended Leave and Other Actions) and 24.7 (Computation of Vacation Leave Upon Termination, Extended Military Leave or Other Extended Leave of Absence Without Pay).

24.5.3 Prorated Vacation: Employees shall be entitled to prorated vacation leave credits for each hour the employee either works or is paid. An employee who is in an unpaid status shall not accrue vacation benefits for the period the employee is not working and is not receiving pay.

24.6 Computation of Vacation Leave Upon Termination, Extended Military Leave or Other Extended Leave of Absence Without Pay

If after six (6) months of continuous service, an employee is terminated, or is granted an extended military leave or other extended leave of absence without pay, such employee or his or her estate shall be paid for vacation leave credits in excess of the actual amount of vacation leave taken or such employee or his or her estate shall reimburse the City for the actual amount of vacation leave taken in excess of vacation leave credits, as the case may be, in accordance with the provisions of this section.

Upon termination, extended military leave or other extended leave of absence without pay, vacation leave credits shall be totaled, and the actual amount of vacation leave taken, including any that may have been taken during the year in which the termination, extended military leave or other extended leave of absence without pay occurs, shall be deducted from the total credits. If the credits exceed the actual amount of vacation leave taken, such employee or his or her estate shall be paid for the excess of the credits on the basis hereinafter set forth. If the actual amount of vacation leave taken exceeds the credits, such employee or his or her estate shall reimburse the City on the same basis. The basis for such payment by the City or for such reimbursement to the City shall be as follows: The number of hours of vacation credits (for excess hours taken) x bi-weekly hourly rate (based on the employee's monthly salary at date of termination, extended military leave, or other extended leave of absence without pay - terminal vacation payment due (or owed).

Upon termination, extended military leave or other extended leave of absence without pay, payment for excess of vacation leave credits shall be made in a lump sum at time of termination, extended military leave or other extended leave of absence without pay, or as soon thereafter as possible; provided, however, that an employee may elect to use excess vacation leave credits prior to termination, extended military leave or other extended leave of absence without pay, to the extent permitted by this Understanding and receive a lump sum repayment for the balance of vacation leave credits, if any.

24.7 Vacation Changed to Sick Leave

Employees on vacation leave who become sick or injured shall, for purposes of compensation, have their vacation leave stopped and be placed on sick leave. Entitlement to this benefit is subject to (a) notification to the Department Head that the employee is sick

24.8 Vacation Past Accrual Rates

24.9 Computation

Vacation leave credits shall be computed for each employee on the basis of the authorized annual vacation leave during such employee's years of service with the City of Berkeley at the following rates:

| Authorized Annual Vacation (in work weeks) | Vacation Leave Credits (in workdays per month of service) | Vacation Leave Credits (in hours earned per month of service) |
|---|---|---|

| 3 | 1.250 | 10.000 |
| 4 | 1.667 | 13.333 |
| 5 | 2.083 | 16.667 |
| 6 | 2.500 | 20.000 |

24.10 Sabbatical Leave

After eight (8) consecutive years of employment with the City, an employee may apply for a sabbatical leave without pay of up to six (6) months. Such leave may be granted by the appropriate authority upon the recommendation of the employee's department head but such leave shall not be unreasonably denied. There shall be no requirement that the employee exhaust paid leave balances prior to such sabbatical leave. Life, Dental and Health insurance shall be paid by the City for the duration of an approved Sabbatical Leave.

Every Sabbatical Leave shall require an employee commitment of equivalent service time following return from leave. In the event the full service commitment is not performed, the employee shall repay a pro rata amount of the life, dental and health insurance premium paid by the City during the sabbatical leave based on the percentage of the service commitment not performed.

24.11 Traumatic Event Leave

Effective the first full pay period in July 2025, unit members who, during their scheduled workday in the course and scope of their employment, become personally involved in or personally observe a traumatic event as defined in this section may be placed on Traumatic Event Leave by their departmental Director for the balance of that workday up to eight (8) hours. Local 1227 and has been submitted to the Internal Revenue Service for a Determination Letter and a Private Letter Ruling which are pending. If the City receives a positive response from the Internal Revenue Service, the plan and trust agreement will be extended to the employees in the bargaining unit. This will provide the employees with an irrevocable option to defer accrued but unused sick leave at time of retirement into a 401(a) plan or be paid out the balance of the accrued but unused sick leave less withholding of applicable federal and state taxes.

26.7.2 Annual Sick Leave Payout for Employees Hired on or Before June 30, 2013: Employees who regularly work one-half (1/2) time or more who have attained the two hundred (200) day maximum sick leave accumulation, shall be entitled to receive payment for one-third (1/3) of the first twelve (12) days of sick leave days, or if earning sick leave at the rate of two (2) working days each month of service, one-third (1/3) of the first twenty-four (24) days of sick leave days, for which they become eligible, do not use and would otherwise forfeit because of the two hundred (200) day maximum limitation. Determination of eligibility for such payment shall be made on an annual calendar year basis, and payment for such sick leave for any calendar year shall be made not later than the first full pay period in January. Such payment shall be at the employee's salary rate in effect on the preceding December 31, and shall be made only in units of whole days, and will not be made for any fraction of a day.

26.7.3 Sick Leave After Reemployment: Accumulated unused sick leave that has been canceled by reason of an employee's layoff shall be credited back to such employee if he or she returns to City of Berkeley employment within three (3) years of such layoff.

Employees whose disability requires absence of more than 21 days will receive retroactive compensation, both pay and leave, for the three-day waiting period. Employees shall be on administrative leave with pay for the initial three (3) days. Such leave shall not be deducted from the employee's leave balance.

Payments under the workers' compensation law for temporary disability or a recurrence thereof arising out of and in the course of employment shall be paid for a period not to exceed 365 days at a maximum payment of the employee's pre-disability pay, but shall not exclude any salary adjustments to which the employee is entitled. Thereafter, the employee will continue to receive only the temporary disability payments provided under State law and the City will cease to pay the difference.

The City shall continue to calculate salary continuation at pre-disability gross pay. The City may calculate salary continuation payments at pre-disability net pay at such time when they develop the capacity to administer it equitably. Any change in calculation shall not reduce employee's combination of disability payments and salary continuation payments below employee's pre-disability net pay.

Pursuant to Section 36.3 (Pre Age 65 Retiree Health Insurance), the amount the City contributes for either the single or two-party coverage shall increase no more than 4.5% on July 1 of each year.

36.5 Termination by City of Retiree Medical Benefit

Failure of the retiree or surviving spouse to pay their monthly share of the health insurance premium will result in termination of the retiree medical benefit and relieve the City of any further obligation to provide any further benefits under this section.

36.6 Retiree Medical Benefit for Employees Retiring Between the Ages of 50 and 55

An employee who is at least 50 years of age, but less than 55, and has at least eight years of CalPERS qualifying employment with the City will retain eligibility for the retiree medical benefits provided in Section 36.3 (Pre Age 65 Retiree Health Insurance) when the employee reaches age 55 if the employee is enrolled in a group health plan coverage from the date of his or her termination from City employment until the employee's 55th birthday. If for any reason the employee has a lapse in health care coverage the employee forfeits his or her eligibility for the retiree health plan benefits upon reaching age 55 and the City has no further obligation to provide any benefits under this section to the employee and/or his spouse or domestic partner.

36.7 Employees Retiring with a CalPERS Approved Disability Retirement

If an employee retires from the City before age 55 with a CalPERS approved disability retirement, the employee will retain eligibility for the retiree medical benefits provided in Section 36.3 (Pre Age 65 Retiree Health Insurance) when the employee reaches age 55 if the employee is enrolled in a group health plan coverage from the date of his or her termination from City employment until the employee's 55th birthday. 36.8 City Funding of Retiree Health Benefit

City contributions to the retiree medical benefit will begin on July 1, 1998. Funding of this benefit will be set aside in a trust to be established by the City.

The retiree medical benefit will be funded by a roll up charge of 0.25% of payroll in each

2024-2027 Memorandum of Understanding**City of Berkeley****Public Employees Union, Local One**

year of this Understanding (i.e. 0.25% in the first year, 0.50% in the second year, 0.75% in the third year and 1.00% in the fourth year), so that contributions are at 1% of the payroll in the fourth year of the Understanding. The City will fund the benefit at approximately 1% of the payroll for every year thereafter with the intent of achieving a funding level of 70% after 30 years. The funding will be ongoing to maintain a 70% funding level thereafter.

Effective June 28, 2009, the City will fund the retiree medical benefit at approximately 4.7%, inclusive of the 1% referenced above, of the payroll during the term of the Understanding and for every year thereafter. The purpose of the increase in payroll contributions is to fund Pre and Post-Age 65 Retiree Health Insurance.

The Union understands and acknowledges that the City conducted an actuarial study to determine the percentage of payroll it needed to set aside each year and the rate of return of 7% it must achieve to fund the retiree health benefit provided in this section. The City will conduct an actuarial study by an outside actuary of the retiree medical plan prior to June 30, 2002. After that time, the City will conduct an actuarial study by the outside actuary of the retiree medical plan every year to review the funding status of the program. The outside actuary will be selected by mutual agreement of the parties. The Union and City agree that if the Actuary concludes that the City's funding of this benefit by contribution of 4.7% of the payroll is insufficient to fully fund the retiree medical benefits, the City shall not be required to increase its funding for this benefit to more than 4.7% of the payroll. In the event that there are insufficient funds in the trust to cover Local One retirees' monthly health premiums, the City shall make an across the board reduction in the monthly premium paid on the employees behalf and advise the retiree that he or she is responsible for paying any amounts due the group health plan to cover the difference between the City's contribution and the actual monthly group health plan premium.

36.9 Actuarial Review of Assets and Liabilities

The City shall provide an Actuarial analysis of all of Local 1 Retiree Medical Plan assets and liabilities, as stipulated in this MOU Section 36.8 (City Funding of Retiree Health Benefit) above and Retiree Health Premium Assistance Plan Document Section 7.4 (Periodic Review of Plan Benefits) of the Retiree Health Premium Assistance Plan IV for Public Employees Union, Local 1. All Local 1 Plan assets and liabilities shall remain segregated for the term of this MOU.

36.10 Alternative Retiree Medical Plan

The City shall provide \$50,000 (standard accidental death and dismemberment of a like amount) for all employees in Units M [PEU0], P-1 [PEU1] and P-2 [PEU1]. The City shall pay the full amount of the premiums of such life insurance coverage.

37.2 Employee Option to Purchase to \$300,000

SECTION 38: SUPPLEMENTAL RETIREMENT / DISABILITY INSURANCE PLAN / DEFERRED COMPENSATION**38.1 Supplemental Retirement and Income Plan**

Effective January 1, 1983, the majority of miscellaneous employees under the City's contract with the State of California Public Employees' Retirement System who were covered by the integrated Social Security Program voted to withdraw from participation in the Federal Social Security Program.

In lieu of Social Security payments, the City has agreed to pay an amount equal to that percent of individual pay (6.7% payable on the first \$32,400 of salary paid in the calendar year / or the current applicable rate / amount in effect) which had been paid by the City to Social Security as of December 31, 1982 to a Supplemental Retirement and Income Plan which provides investment and long-term disability benefits for those employees previously covered under the integrated PERS / Social Security Plan which provides investment and long-term disability benefits for those employees previously covered under the integrated PERS / Social Security Plan.

Provisions of this plan are described in City of Berkeley Ordinances No. 5864 - N.S. (SRIP I) and No. 5865 - N.S. (SRIP II) as amended. This payment is also applicable to those employees hired on or after 1/1/83.

The City will assume the cost for long-term disability insurance for all SRIP II members upon completion of contract negotiations with the insurance carrier, but no later than July 2, 1995.

38.2 Deferred Compensation Plan

The parties will meet and discuss whether an amendment to the City of Berkeley Deferred Compensation Plan is possible to allow participants to take out loans. Moreover, the parties agree that if there are amendments to the Deferred compensation Plan, the combined total number of active and outstanding loans an employee may have at any one time from the Deferred Compensation Plan and/or the Supplemental Retirement and Income Plan II (SRIP II) referenced in Section 38 (Supplemental Retirement / Disability Insurance Plan), shall be limited to two; one from each plan or two from the same plan, and that the maximum loan provision may require an amendment to the SRIP II Plan. If a loan provision is permissible for the Deferred Compensation Plan under Internal Revenue Service rules, the Union acknowledges and understands that the City must consider the impact to all City employees before agreeing to amend either the Deferred Compensation Plan or SRIP II. The parties agree that the first meeting shall be no later than 120 days following Council approval of this MOU.

39.3 Layoff Benefits

All current career employees who are given the option of accepting part-time employment in lieu of layoff from City services shall continue to receive full health, dental and life insurance benefits paid by the City in addition to prorated benefits.

SECTION 40: YMCA GROUP MEMBERSHIP

By January 1, 1988 the City shall offer employees a low or no-cost group membership in the Berkeley Central YMCA. The amount the City contributes toward the employee's monthly membership fee is subject to federal and state income tax withholding.

Use of a YMCA membership by a City of Berkeley employee, as provided for in this Understanding, is non-compensable, is not a part of the employee's work-related duties, is not required for employment and is not condoned as part of a physical fitness program, or required to maintain top physical conditioning for the employee's job performance.

The City of Berkeley or its Claims Administrator may not be liable for any injury which arises out of a City of Berkeley employee's participation in and use of a YMCA membership.

ARTICLE 5 - TERMS AND CONDITIONS OF EMPLOYMENT

SECTION 41: PROBATIONARY PERIOD

41.1 Duration

Original and promotional appointments from employment lists for classifications in the M - Management (Career) [PEU0], and the P-1 Professional (Career) [PEU1] representational units shall be tentative and subject to a probationary period of one (1) year of actual service. However, the City will provide written performance evaluations to such probationers at the fourth (4th) month, eighth (8th) month and twelve (12th) month periods (unless rejected from probation as provided in Sections 41.3 (Report Requirements) and 41.4 (Rejections During Probationary Period)). The City will provide the written performance evaluation to the probationer within 30 calendar days of the fourth (4th) and eighth (8th) month evaluation period and before completion of the twelfth (12th) month. If the City fails to provide the aforementioned written performance evaluations for a specific probationer, the City will waive its right to enforce the one (1) year probationary period for the specific probationer and the probationary period for the specific probationer shall be six (6) months of actual service.

Original and promotional appointments from employment lists for classifications in the P-2 - Engineering Paraprofessional (Career) [PEU1] representational units shall be tentative and subject to a probationary period of six (6) months of actual service. Time spent on workers' compensation leave as a result of an industrial injury shall not be considered as actual service and shall not be included as time served toward completion of the probationary period. Probationary employees who are granted military leaves of absence shall complete the balance of their probationary period within a period of six (6) months following their return to City service.

41.2 Promotion or Provisional Appointment Prior to Completing Probationary Period

Unless applying for a closed examination, an employee does not have to complete the probationary period as a prerequisite for promotion. If, before completing the required probationary period, an employee is provisionally appointed to a higher class in the same or a related series of classes, the time served in such higher class shall be counted toward completion of the probationary period in the lower class.

41.3 Report Requirements

The City shall give probationary employees in the M - Management (Career) [PEU0], and P-1 - Professional (Career) [PEU1] representational units written probationary period evaluations at the fourth (4th), eighth (8th) and twelfth (12th) months in order to advise the employee of their performance. The City shall give probationary employees in P-2 - Engineering Paraprofessional (Career) [PEU1] representational units written, bi-monthly, probationary period evaluations in order to advise the employee of their performance.

Reporting Satisfactory Service: If the service of the probationary employee has been satisfactory to the Department Head, the Department Head shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such probationer in the service is desired.

2024-2027 Memorandum of Understanding

City of Berkeley

Public Employees Union, Local One

Reporting Unsatisfactory Service: If such service has been unsatisfactory, the Department Head shall file with the Director of Human Resources such a statement, in writing, with the recommendation to the City Manager that the employee be discharged. The provisions of this Section shall in no way limit the rights of the City under Section 41.4 (Rejections During Probationary Period).

41.4 Rejections During Probationary Period

During the probationary period, an employee may be discharged at any time without right of appeal or hearing in any manner, except that appeal may be held in accordance with Section 49 (Grievances), if it is alleged that the discharge was in violation of Section 3 (Non-Discrimination). An employee rejected from a position to which the employee has been promoted shall be reinstated to the position from which the employee was promoted unless charges are filed and the employee is discharged as provided in Section 49 (Grievances).

41.5 Exception to Probationary Period

Employees reclassified as a result of a desk audit shall not be subjected to a new probationary period provided the employee has performed those duties for six (6) months and has not received an unsatisfactory evaluation during that period.

SECTION 42: TRANSFER

The Human Resources Department shall maintain a list of career employees who are interested in transfer. Prior to filling a vacancy with a new (probationary) employee, the Department Head shall consider qualified current employees to transfer into a vacant position. No employee shall be transferred to a position for which the employee does not possess the minimum qualifications. An employee with permanent status who is transferred from one class to another class shall assume permanent status in the class to which the employee is transferred.

Prior to outside recruiting, vacancies will be announced by notices in *Berkeley Matters*, on bulletin boards and by notice to departments.

SECTION 43: PROMOTION

Insofar as practicable and consistent with the best interests of the service, all vacancies in the competitive service shall be filled by promotion from within the competitive service, after a promotional examination has been given and a promotion list established.

If in the opinion of the City Manager, the City is facing staffing reductions which will result in displacement of employees, a waiver of minimum qualifications and/or substitution of related experience and education may be made in promotional examinations, with understanding on the part of management and supervisorial personnel that adequate on-the-job training which can be completed within no more than one year, will be provided to facilitate job adjustment and to compensate for waiver of qualification standards if that has occurred. The promotional recruitment announcement will state that minimum qualifications may be waived providing the applicant's experience and education demonstrates his or her on-the-job development potential, as stated above. In promotional appointments where the minimum qualifications have been waived, the

2024-2027 Memorandum of Understanding**City of Berkeley****Public Employees Union, Local One**

probationary period will be one year to allow the employee time to demonstrate development of the necessary job knowledge and skills.

Each candidate for promotion must be either a permanent employee in the competitive service or a former permanent employee on an active mandatory layoff Reemployment List and must possess the minimum qualifications as set forth in the specifications of the class to which promotion is sought. The right to compete in a promotional examination in a specific classification series is not limited to employees in the bargaining unit.

If, in the opinion of the City Manager, the best interests of the service can be served by an open, competitive examination instead of a closed, promotional examination, and if there is not already a valid promotional list for the higher position from which the vacancy could be filled, then the City Manager may instruct the Director of Human Resources to call for applications for the vacancy and arrange for an open, competitive examination and for the preparation and publication of an eligibility list.

A City employee who is on a closed promotional or an open competitive list shall have the option to interview and be seriously considered for the vacancy. A City employee who is unsuccessful and who so requests shall be advised of steps he or she may take to increase his or her competitive standing for future promotional opportunities.

Employees who have qualified for promotional lists shall be considered for promotion based on the following factors: previous work performance, previous training and experience, merit, ability and seniority.

SECTION 44: FILLING OF VACANCIES

Prior to outside recruiting, all career vacancies shall be announced on email or Outlook (electronic Berkeley Matters, the City's regular employee newsletter on the City's Intranet) and by notice to departments. Those employees without a designated computer shall be provided with a hard copy of such notice.

SECTION 45: INCREASED HOURS FOR PART-TIME CAREER EMPLOYEES

Part-time career employees in the same classification shall be notified and have the opportunity to apply for increased hours in a classification before hiring from the outside. Decisions to offer the increased hours shall be based on program necessities. This provision shall not apply when the increased hours are offered to the occupant of the position and he or she has accepted same.

SECTION 46: CLASSIFICATION & COMPENSATION STUDIES

The City agrees to meet regularly with the Union or a committee of unions to report on the status of classification, compensation, or similar studies, and to give consideration to the Union's concerns.

Such concerns may also be brought to the attention of the City Manager at the regular labor

2024-2027 Memorandum of Understanding

management meetings.

The City and the Union will meet and confer on implementation issues relative to these studies to the extent required by law.

SECTION 47: RESIGNATION

An employee wishing to leave the competitive service in good standing shall file with the Department Head, at least two (2) weeks before leaving the service, a written resignation stating the effective date and may voluntarily give reasons for leaving. The resignation shall be forwarded to the Director of Human Resources with a statement by the Department Head as to the resigned employee's service performance and other pertinent information concerning the cause for resignation. Failure of the employee to give the notice required shall be entered on the service record of the employee, and may be cause for denying future employment by the City. The resignation of an employee who fails to give notice shall be reported by the Department Head immediately.

SECTION 48: REINSTATEMENT

A permanent or probationary employee who has resigned with a good record may be reinstated within three (3) years to the employee's former position, if vacant, or to a vacant position in the same or comparable class without further competitive examination. This section shall not be interpreted as a guarantee of reinstatement to an employee who has resigned with a good record and who requests reinstatement within three (3) years.

ARTICLE 9 - LAYOFF PROCEDURE

SECTION 60: LAYOFF

This layoff policy for the City of Berkeley is intended to provide the maximum employment protection to the City staff should a layoff become necessary. The policy also aims to minimize the impact such a layoff might have on the City's affirmative action accomplishments as identified in the revised AA Plan.

60.1 Announcement of Layoff

60.1.1 **Notification:** The City Council, City Manager, and Department Head shall make every reasonable effort to manage and budget the City's resources effectively and to plan for the delivery of City services in a manner which will avoid the necessity to lay off career City employees. If a reduction in the work force for more than thirty (30) calendar days is necessitated by, but not limited to, the following: a material change in duties and organization, adverse working conditions, return of employee from leave of absence, or shortage of work or funds, the City Manager shall notify the Director of Human Resources of the intended action and the reason for the layoff.

60.1.2 **Freezing of Vacancies:** Immediately following a decision which may involve the potential layoff of career City employees, the City Manager shall freeze all current City vacancies in the competitive service in similar and related classifications to those likely to be targeted for layoff, as well as all related full-time, benefitted, temporary positions which are expected to last six (6) months or more, and shall notify the Department Heads that such current and anticipated vacancies will be frozen until further notice in order to implement Section 60.6. In notifying Department Heads of a freeze required by this section, the City Manager shall require that requisitions continue to be submitted for any budgeted positions which the Department intends to fill and for which funding is available.

60.2 Seniority Service Date

60.2.1 All service in the employ of the City shall be counted toward the establishment of an employee's Seniority Service Date, including, for example, permanent, probationary, provisional, temporary (full-time and intermittent), seasonal, exempt employment, as well as leaves of absence for obligatory military service and approved parental leave while an employee with the City. Less than full-time service will be consolidated into equivalences of full-time service for the purpose of establishing the Seniority Service Date. Time off as a result of formal disciplinary action will be subtracted from the Seniority Service Date.

60.2.2 The Human Resources Department shall maintain up-to-date and current Seniority Service Dates for all City employees holding probationary and permanent appointments.

2024-2027 Memorandum of Understanding

City of Berkeley

Public Employees Union, Local One

60.3 Establishment of Seniority Lists

- 60.3.1 Whenever a layoff of one or more career employees becomes necessary, as defined above, such layoffs shall be made according to City-wide classification Seniority Lists. Upon receiving notification that the City Manager must proceed with a possible reduction in the work force, and following receipt of information concerning the specific positions, programs, and departments involved, the Human Resources Department will immediately establish separate Probationary and Permanent Seniority Lists for each classification targeted for layoff.
- 60.3.2 The names of all City employees holding permanent and probationary appointments in a given classification will be placed on the appropriate list in descending order by Seniority Service Date. Employees on both lists shall be laid off on the basis of their Seniority Service Date, i.e., employees with the least amount of total service shall be laid off first. All emergency, temporary and provisional employees working in classifications similar to those identified for layoff must be terminated prior to the layoff of probationary or permanent employees. Employees on the Probationary Seniority List for a specific classification will be laid off prior to employees on the Permanent Seniority List for that class.
- 60.3.3 Probationary or permanent employees temporarily acting out of classification and holding a provisional appointment in another classification will be listed only on a Seniority List for the class in which they hold permanent or probationary status and which is targeted for layoff.
- 60.3.4 If two (2) or more employees on a Seniority List have an identical Seniority Service Date, the tie shall be broken in the following order:
- 60.3.4.1 Time in classification - the employees having least time in the class shall be released first;
- 60.3.4.2 By lot.

60.4 Employee Retreat Rights/Out Placement

- 60.4.1 Before an employee with permanent or probationary status may be released from employment with the City of Berkeley, the Human Resources Department must consider the employee's right to retreat to lower level classifications through which he or she was originally promoted, or any subsequently created intermediate level career classification which provides normal progression through the classification series. Retreat rights shall also extend to employees who have not previously been promoted through a classification but for whom the classification is a natural progression or beginning in the classification series. Single position classifications, such as division heads, are not considered part of a classification series as specified by this Section.

2024-2027 Memorandum of Understanding**City of Berkeley****Public Employees Union, Local One**

In addition to providing the employee with the appropriate retreat offer, when it is determined to be in the best interest of the service, the City Manager may authorize the Human Resources Department to offer the affected employee the option of out placement. The out placement offer would provide a designated amount of funds to be paid to the employee for use by the employee for career development. The employee could either accept the retreat offer (offer to bump another employee) or accept the out placement offer. If the employee accepts the out placement offer, the employee forfeits his or her rights under the layoff policy and will be laid off without rights to reinstatement.

- 60.4.2 In the process of retreating, the same rules concerning the length of service, classification, Seniority Lists, etc., apply as in the first stage of the layoff process. In order to retreat, the targeted employee must be higher on the Seniority List for the classification into which he or she is retreating than at least one of the incumbents on the probationary or permanent Seniority List for that class.
- 60.4.3 If an employee is qualified for retreat into more than one classification with comparable salary ranges, or if a vacancy exists in a classification to which an employee is entitled to retreat, the options shall be discussed with the employee and due consideration shall be given to the employee's preferences. However, it is the prerogative of the City Manager to determine the final placement offer to the employee.
- 60.4.4 The retreating employee has a right to be retained in the highest salary range possible which is equal to or less than his or her present salary range. An employee involved in layoff does not have a right of mandatory placement in positions with a higher salary range, i.e., promotion.
- 60.4.5 An employee who is transferred in lieu of layoff when his or her position has been abolished because of reductions in force shall have automatic return rights to the previous position, if it is restored within one (1) year of the date of the transfer.

60.5 Employee Notification

- 60.5.1 Emergency, temporary, intermittent, seasonal, etc., employees shall be notified individually, in writing, of pending layoff as soon as possible but no definite time period is required. However, at least two (2) weeks notification is desirable if possible.
- 60.5.2 Provisional employees shall be notified individually, in writing, of pending layoff as soon as possible, with no less than fifteen (15) calendar days notification if targeted for release or reassignment.
- 60.5.3 Permanent, probationary, and career-exempt employees shall be notified individually, in writing, of pending layoffs as soon as possible, with no less than thirty (30) calendar days notification if targeted for release or reassignment. Notice to an employee absent from work for any reason shall be sent by U.S. Mail, return receipt requested.

2024-2027 Memorandum of Understanding**City of Berkeley****Public Employees Union, Local One**

If an employee fails to accept a bona fide offer of reassignment and/or within fifteen (15) calendar days after the offer has been made, he or she forfeits further right to employment retention. Acceptance of a reassignment does not remove the right of appeal under Sub-section 61.10 of this Section.

Together with any layoff notices sent to the Union, a list shall be included of all vacancies which are authorized for filling.

60.6 Flexible Placement Program

- 60.6.1 In order to minimize the negative impact of a layoff, the City Manager will, as previously stated in sub-section 60.1 of this Section impose a City-wide freeze on all appropriate vacancies as soon as it has been determined that a layoff of career City employees may be necessary.
- 60.6.2 Following the release of all emergency, temporary, and provisional employees in classes similar to those targeted for layoff, and as soon as employees targeted for layoff have been identified and the provisions under sub-section 60.1 of this Section have been carried out, the Human Resources Department will review and identify the frozen vacant classifications into which employees ultimately targeted for layoff may be placed on the basis of total experience and education. In making this decision, the substitution of related experience and education may be made, with an understanding on the part of management and supervisory personnel that adequate on-the-job training which can be completed within no more than six (6) months will be provided to facilitate job adjustment.
- 60.6.3 Assignments under the Flexible Placement Program shall be limited to positions in the same or lesser salary range as the classification from which the employee is to be laid off.
- 60.6.4 To be considered for flexible placement, an employee must submit an updated City of Berkeley job application form to the Human Resources Department; a resume and / or other related materials may also be submitted together with this application form. For this information to be considered in determining the individual's eligibility and qualifications under the Flexible Placement Program, all such materials must be submitted no later than ten (10) days after his or her receipt of layoff notice. In any exceptional circumstances, the Director of Human Resources may waive this time requirement.

The submitted materials must clearly, accurately and thoroughly reflect all education and experience which the employee wishes to have considered in determining his or her eligibility and qualifications for flexible placement. The City shall accept this information as representing the employee's total education and experience in relation to flexible placement considerations; therefore, in making flexible placement decisions, the City shall not be obligated to consider any experience or education which is not clearly indicated in this application form.

2024-2027 Memorandum of Understanding**City of Berkeley****Public Employees Union, Local One**

The City may require verification(s) of the information submitted and / or, when experience to be considered is unrelated to that which the employee has performed for the City, may check references.

- 60.6.5 Offers to positions under the Flexible Placement Program shall be made according to Seniority Service Date and in accordance with the Probationary and Permanent Seniority List certification process outlined in Sub-section 60.3 of this Section and in accordance with the following procedures:
- 60.6.5.1 Full-time vacancies authorized to be filled shall be listed in order from highest to lowest based on the actual maximum salary.
 - 60.6.5.2 Part-time vacancies authorized to be filled shall be included in the above list in order based on the actual monthly maximum salary for the hours involved.
 - 60.6.5.3 The individual with the earliest Seniority Service Date (SSD) targeted for layoff will be considered for flexible placement in the top position on the above list.
 - 60.6.5.4 If it is determined that the person with the earliest SSD is eligible and qualified for flexible placement in the top position on the list, the Human Resources Department shall recommend to the City Manager that the employee be offered the position. If the City Manager approves the recommendations, the employee shall be offered the position.
 - 60.6.5.5 If the City Manager and / or Human Resources Director determines that the employee is not eligible or not qualified for the top position, the Human Resources Director shall proceed down the list of vacancies in an effort to identify the next highest position for which the employee is eligible and qualified for flexible placement. Upon identification of such a match, the Human Resources Director shall recommend to the City Manager that the employee be offered the position.
 - 60.6.5.6 The above process shall be repeated until either a match is identified or the list of vacancies has been exhausted.
 - 60.6.5.7 The above process shall be repeated next for the employee with the second highest SSD, and, subsequently in order from earliest to most recent SSD for each other employee targeted for layoff.
- 60.6.6 All offers and placements made under this provision of the layoff policy shall be documented in detail, with records available for audit and review at all times. Upon request, a written statement of the reasons for not offering an employee a particular position shall be made to the employee and / or the Union.

2024-2027 Memorandum of Understanding**City of Berkeley****Public Employees Union, Local One**

- 60.6.7 If an employee fails to accept a bona fide written offer of an alternative job within fifteen (15) calendar days after the offer has been made, he or she forfeits further rights to employment retention. Acceptance of an alternative job under the Flexible Placement Program in no way jeopardizes an employee's standing on the Reemployment Priority Lists on which his or her name has been placed.

A training program shall be developed with the employee, the supervisor, and the Training Officer. The employee shall be advised of his or her progress after two months, four months and six months in the new classification. If at the end of this time the employee is unable to adequately perform the assignment, then the employee shall be again subject to the layoff process.

60.7 Reemployment Lists

- 60.7.1 The names of all probationary and permanent employees released from positions in the competitive service as a result of layoff or retreat must be placed on Reemployment Priority Lists for those classifications from which they were separated, as well as all other classifications to which they have retreat rights in accordance with Section 60.4.
- 60.7.2 A Reemployment Priority List shall remain in effect for three (3) years. Said list shall remain in effect indefinitely for employees who are retreated or flexibly placed and remain employed with the City.
- 60.7.3 Departments with permanent vacancies in any classification for which there is an active Reemployment Priority List must use the Reemployment Priority List to fill their positions and may not use any other recruitment or appointment method to fill a vacancy until appropriate Reemployment Lists have been exhausted.
- 60.7.4 When a permanent vacancy occurs in a class for which there is a Reemployment Priority List, the employee on the appropriate Reemployment Priority List with the highest Seniority Date shall be given the offer of employment with a copy sent to the Department Head. Employees so certified from the Reemployment Priority List must be appointed to the existing vacancy.
- 60.7.5 If a former employee fails to accept a bona fide written offer of reemployment within fifteen (15) calendar days, his or her name will be removed permanently from the Reemployment Priority List from which the offer was made. Failure to accept an offer of reemployment to the class with the highest salary range for which the employee is eligible for reemployment will result in automatic removal from all Reemployment Priority Lists. However, the employee may decline (or accept) reemployment to lower salary range classifications without jeopardizing his or her standing on the Reemployment Priority List for the classification from which he or she was originally terminated.
- 60.7.6 Upon reappointment to the classification from which the employee was originally separated or demoted, the employee has the right to be placed at the step of the salary range which the employee held at the time of layoff or demotion.

60.8 Reinstatement List

60.8.1 Any former employee on a reemployment list shall be included on the reinstatement list for a specific class at or below the class from which he or she was laid off whenever he or she both:

60.8.1.1 meets minimum qualifications of the specific class and

60.8.1.2 has requested reinstatement in that class.

Such individuals shall be included on the eligibility list certified for a specific position and identified as eligible based on this provision.

60.8.2 In order to permit reinstatement in another specific class of an individual who is on a mandatory reemployment list, minimum qualifications may be waived and On-the-Job Training (OJT) may be provided as specified under the Flexible Placement Program.

Such individuals shall be included on the eligibility list certified for a specific position and identified as eligible based on this provision.

60.8.3 Consideration for 60.8.1.1 and/or 60.8.1.2 would be based on a written request from an employee for reinstatement in that specific class; such request must include an updated City of Berkeley job application form described in 61.6.4.

60.9 Career-Exempt Employees

Only those employees holding full-time, benefitted exempt positions who, in the past, have achieved permanent status and have been continuously employed without a break in service between their career and exempt appointment, have the right to retreat to previously held career classifications, placement on the Reemployment Priority Lists, and all other provisions governing layoff procedures. For the purpose of layoff, such employees shall be referred to as "career-exempt".

60.10 Appeal Procedures

Any permanent, probationary, or career-exempt employee who is laid off, demoted, or reassigned as a result of layoff, who believes that the layoff procedure has been administered in violation of the terms of this Memorandum of Understanding, as it pertains to the employee's case, may appeal the action under Section 50. In addition, employees are entitled to review all records, including Seniority Lists, Reemployment Priority Lists, documentation pertaining to appointments under the Flexible Placement Program, etc., which pertain to their classification and their rights under the provisions of the layoff policy.

60.11 Reclassification or Reallocation of Positions

Reclassification or reallocation of positions shall not be used as a mechanism, the sole purpose of which is to improperly circumvent the provisions of this Understanding, including provisions relating to layoff, transfer, demotion or promotion.

60.12 Disputes on Reemployment Priority Lists

In the event of a dispute between the Union and the City over the application of the Reemployment Priority Lists and if either party so requests, the City Manager's Office shall order an audit by an outside auditor of all vacant positions filled in each department, and authorized positions which have not been filled, to determine whether the vacancies occurred in classifications for which Reemployment Priority Lists were in existence, and, if so, whether the appointments made by the selecting official were in accordance with the procedures outlined in Section 60.7. In the event vacancies for which Reemployment Priority Lists were in existence remained unfilled, the auditor shall offer an opinion as to whether or not the reasons for leaving the positions vacant appear to be legitimate. A report of the audit must be transmitted to the City Manager, the City Council and the Union.
